Item Description: Receive Update on Envision Roseville

BACKGROUND

In July, 2022, Council authorized a contract for a community-wide visioning process to Zan Associates. This community-wide visioning process has been name *Envision Roseville* and includes two phases of community engagement. The Phase 1 engagement was focused on engaging Roseville residents and visitors to identify key themes relating to how people envision the future of Roseville. Strategic and targeted engagement was conducted during this phase with the intention of capturing voices that historically have been underrepresented. This phase consisted of a mix of ways for all residents to participate including:

- More than 20 community events and listening sessions
- Community Survey
- Virtual engagement through Hello Lamp Post, visioning website, interactive map, etc.
- Community Advisory Group workshop
- Various promotions (both staff-led and consultant led)

Zan Associates will have a member of the project team in attendance to provide an update on next steps which includes Phase 2 engagement as well as next steps.

POLICY OBJECTIVE

The city's approved Strategic Racial Equity Action Plan (SREAP) as well as the city's Racial Equity Narrative detail the city's commitment to providing an inclusive community. Part of that includes improving engagement among community members, developing relationships and increase collaboration with community leaders and organizations, following through on lessons learned through community members by committing to listen, learn and implement improved methods and practices to better serve the needs of all in the community. The objective of the *Envision Roseville* public participation is to seek input from residents and stakeholders to determine if the current Community Aspirations are relevant and appropriate and which of the Community Aspirations are most critical and should be focused on in the next 5-10 years.

BUDGET IMPLICATIONS

None.

RACIAL EQUITY IMPACT SUMMARY

In recognizing that racial disparities across all indicators of success are deep and pervasive, the city has prioritized centering race in decisions, policies and procedures. This approach offers the focus and specificity necessary for advancing our work on our community aspirations for all of the Roseville community. This approach has led how we design our engagement activities for the visioning process. By focusing on hearing BIPOC voices, we ensure that we can also capture voices

35 from other segments of our community that may have intersecting barriers or challenges to being
36 heard, while also capturing traditionally engaged voices.

25 other customers with excellence. The role of appointed boards, commissions, and councils is to
26 advise the Mayor and Council on city policies and practices. A governing body that mirrors our
27 population increases City government access to great ideas, strengthens innovation and problem-

- (b)
- (c) It is suggested that replacement of the guest chairs are needed as most currently range from 20-30 years old. Staff requested quotes to upgrade 99 chairs and a few miscellaneous other pieces of furniture. The \$37,405 is a rollover of unspent funds from the 2022 CIP.

Re: City Hall Furniture Upgrades

As part of the 2022 Facilities budget staff looked into replacing guest staff chairs throughout city hall and the maintenance facility. Most of the current guest chairs are 20-30 years old and in need of replacement. Staff requested quotes to upgrade 99 chairs and a few miscellaneous other pieces of furniture.

The city received quotes from three vendors for different chairs. Based on the average chair price, SOS furniture was the low quote. Staff reviewed samples from SOS Furniture and has worked with them on other past furniture projects so the quality of the chairs for the low price is acceptable.

- SOS Furniture – Average Chair Price - \$166
- State Contract Pricing – Average Chair Price - \$245
- Intereum – Average Chair Price - \$315
- This would be funded from the following:
 - \$17,642.80 - Workstation Replacement - City Hall line item in 2022 Facilities CIP-410-01-64-00-0000-42-453000
 - There was a \$350,000 budget. There is still in excess of \$100,000 in budget remaining that will cover this cost.

Date: April 10, 2023

Item No.: 10.d

Department Approval

City Manager Approval

Item Description: Approve Proposal for Engineering Services for Project 22-22, South McCarrons Retaining Wall Construction Observation

BACKGROUND

City staff has worked with TKDA to design a replacement for the large retaining wall on South McCarrons Boulevard between Woodruff Avenue and Glenwood Avenue. The wall was originally constructed in the early 1990's. The wall has moved and is slowly failing due to a combination of poor design and poor construction methods. Based on the analysis done by TKDA, there is no immediate danger of the retaining wall failing. Staff continues to monitor the wall.

The design for the replacement wall includes a soil nail installation method which will minimize construction disturbance for the adjacent properties. Staff anticipates construction of the wall during the 2023 season. Staff plans to solicit bids in late April and bring bids to Council in May.

To assist with construction observation for specialized construction methods, TKDA provided the City with a proposal for observation services for Project 22-22, South McCarrons Retaining Wall in the amount, not to exceed, of \$53,500.

POLICY OBJECTIVE

It is City policy to keep City-owned infrastructure in good operating condition and to keep systems operating in a safe condition.

BUDGET IMPLICATIONS

The total proposed cost of the proposal by TKDA is \$53,500. The current estimated cost for construction of the new wall is \$1,300,000. Additional costs for testing will occur when the wall is built.

All costs for the wall can be funded with municipal state aid funds.

RACIAL EQUITY IMPACT SUMMARY

There should be no equity impacts associated with this agreement.

STAFF RECOMMENDATION

Staff recommends the Council approve the Proposal for Engineering Services for Project 22-22, South McCarrons Retaining Wall construction observation by TKDA.

TOLTZ, KING, DUVAL, ANDERSON AND ASSOCIATES, INCORPORATED

General Provisions of Engineer-Architect Agreement

ARTICLE 1. GENERAL

These General Provisions supplement and become part of the Agreement between Toltz, King, Duval, Anderson and Associates, Incorporated, a Minnesota Corporation, hereinafter referred to as TKDA, and the other Party to the Agreement, hereinafter referred to as CLIENT, wherein the CLIENT engages TKDA to provide certain Engineering, Architectural, and/or Planning services. Either Party to this Agreement may be referred to as a "Party" or collectively as "Parties."

As used herein, the term "Agreement" refers to (1) TKDA's original Engagement Letter or proposal (the "Engagement Letter") which forms the basis for the Agreement; (2) these General Provisions, and (3) any attached Exhibits, as if they were part of one and the same document. With respect to the order of precedence, any attached Exhibits shall govern over these General Provisions and the Engagement Letter shall govern over any attached Exhibits and these General Provisions.

ARTICLE 2. PERIOD OF SERVICE

The term of this Agreement for the performance of services hereunder shall be as set forth in TKDA's Engagement Letter. Any lump sum or estimated maximum payment amounts set forth in the Engagement Letter have been established in anticipation of the orderly and continuous progress of the project in accordance with the schedule set forth in the Engagement Letter or any Exhibits attached thereto.

ARTICLE 3. COMPENSATION TO TKDA

A. Compensation to TKDA for services shall be as designated in the Engagement Letter. The CLIENT shall make monthly payments to TKDA within 30 days of date of invoice.

B. The CLIENT will pay the balance stated on the invoice unless CLIENT notifies TKDA in writing of the particular item that is alleged to be incorrect within 15 days from the date of invoice, in which case all undisputed items shall be paid and amounts in dispute shall become due upon an adjudicated resolution or upon agreement of the parties. All accounts unpaid after 30 days from the date of original invoice shall be subject to a service charge of 1-1/2% per month, or the maximum amount authorized by law, whichever is less. TKDA shall be entitled to recover all reasonable costs and disbursements, including reasonable attorneys' fees, incurred in connection with collecting amounts owed by CLIENT. In addition, TKDA may, after giving seven days' written notice to the CLIENT, suspend services under this Agreement until TKDA has been paid in full for all amounts then due for services, expenses and charges. CLIENT agrees that it shall waive any and all claims against TKDA and that TKDA shall not be responsible for any claims arising from suspension of services hereunder.

ARTICLE 4. EXTRA WORK

If TKDA is of the opinion that any work it has been directed to perform is beyond the Scope of this Agreement, or that the level of effort required exceeds that estimated due to changed conditions and thereby constitutes extra work, it shall notify the CLIENT of that fact. Upon written notification to CLIENT, TKDA shall be entitled to additional compensation for same, and to an extension of time for completion absent timely written objection by CLIENT to additional services.

ARTICLE 5. ABANDONMENT, CHANGE OF PLAN AND TERMINATION

Either Party has the right to terminate this Agreement upon seven days' written notice for convenience of either CLIENT or TKDA. In addition, the CLIENT may at any time reduce the scope of this Agreement. Such reduction in scope shall be set forth in a written notice from the CLIENT to TKDA. In the event of unresolved dispute over change in scope or changed conditions, this Agreement may also be terminated upon seven days' written notice as provided above.

In the event of a termination or reduction in scope of the project work, TKDA shall be paid for the work performed and expenses incurred on the project work and for any completed and abandoned work for which payment has not been made, computed in accordance with the provisions of the Engagement Letter and payment of a reasonable amount for services and expenses directly attributable to termination, both before and after the effective date of termination, such as reassignment of personnel, costs of terminating contracts with TKDA's subconsultants, costs of producing copies of file materials and other related close-out costs.

ARTICLE 6. DISPOSITION OF PLANS, REPORTS AND OTHER DATA

All documents, including reports, drawings, calculations, specifications, CADD materials, computer software or hardware or other work product prepared by TKDA pursuant to this Agreement are TKDA's Instruments of Service and TKDA retains all ownership interests in said Instruments of Service, including copyrights. Any use or reuse of such Instruments of Service, except for the specific purpose intended, by the CLIENT or others without written consent, verification, or adaptation by TKDA will be at the CLIENT's risk and full legal responsibility. In this regard, the CLIENT will indemnify and hold harmless TKDA from any and all suits or claims of third parties arising out of such use or reuse which is not specifically verified, adapted, or authorized by TKDA.

Copies of documents that may be relied upon by the CLIENT are limited to the printed copies (also known as hard copies) that are signed or sealed by TKDA's Engineer or Architect. Files in electronic format furnished to the CLIENT are only for convenience of the CLIENT. Any conclusion or information obtained or derived from such electronic files

will be at the user's sole risk. If there is a discrepancy between the electronic files and the hard copies, the hard copies govern. In the event electronic copies of documents are made available to the CLIENT, the CLIENT acknowledges that the useful life of electronic media may be limited because of deterioration of the media, obsolescence of the computer hardware and/or software systems or other causes outside of TKDA's control. Therefore, TKDA makes no representation that such media will be fully usable beyond 30 days from date of delivery to CLIENT.

If requested, at the time of completion or termination of the work, TKDA shall make available to the CLIENT at CLIENT's expense copies of the Instruments of Service upon (i) payment of amounts due and owing for work performed and expenses incurred under this Agreement, and (ii) fulfillment of the CLIENT's obligations under this Agreement.

ARTICLE 7. CLIENT'S ACCEPTANCE BY PURCHASE ORDER

In lieu of or in addition to execution of the Engagement Letter, the CLIENT may authorize TKDA to commence services by issuing a purchase order by a duly authorized representative. Such authority to commence services or purchase order shall incorporate by reference the terms and conditions of this Agreement. In the event the terms and conditions of this Agreement conflict with those contained in the CLIENT's purchase order, the terms and conditions of this Agreement shall govern. Notwithstanding any purchase order provisions to the contrary, no warranties, express or implied, are made by TKDA. In order to implement the intent of Parties to this Agreement, the Parties agree that the Engagement Letter, these General Provisions, and any Exhibits constitute the entire Agreement between them. The Parties further agree that the preprinted terms and conditions of any CLIENT-generated purchase order issued to request work pursuant to this Agreement will not apply to the work, regardless of whether TKDA executes the purchase order in acceptance of the work.

ARTICLE 8. CLIENT'S RESPONSIBILITIES

A. To permit TKDA to perform the services required hereunder, the CLIENT shall supply, in proper time and sequence, the following at no expense to TKDA:

1. All necessary information regarding its requirements as necessary for orderly progress of the work.
2. Designate in writing a person to act as CLIENT's representative with respect to the services to be rendered under this Agreement. Such person shall have authority to transmit instructions, receive instructions, receive information, and interpret and define CLIENT's policies with respect to TKDA's services.
3. Furnish, as required for performance of TKDA's services (except to the extent provided otherwise in the Engagement Letter or any Exhibits attached thereto), data prepared by or services of others, including without limitation, soil borings, probing and subsurface explorations, hydrographic and geohydrologic surveys, laboratory tests and inspections of samples, materials and equipment; appropriate professional interpretations of all of the foregoing; environmental assessment and impact statements; property, boundary, easement, right-of-way, topographic and utility surveys; property descriptions; zoning, deed and other land use restriction; and other special data not covered in the Engagement Letter or any Exhibits attached thereto.
4. Provide access to, and make all provisions for TKDA to enter upon publicly or privately owned property as required to perform the work.
5. Act as liaison with other agencies or involved parties to carry out necessary coordination and negotiations; furnish approvals and permits from all governmental authorities having jurisdiction over the project and such approvals and consents from others as may be necessary for completion of the project.
6. Examine all reports, sketches, drawings, specifications and other documents prepared and presented by TKDA, obtain advice of an attorney, insurance counselor or others as CLIENT deems necessary for such examination, and render in writing decisions pertaining thereto within a reasonable time so as not to delay the services of TKDA.
7. Give prompt written notice to TKDA whenever the CLIENT observes or otherwise becomes aware of any development that affects the scope or timing of TKDA's services or any defect in the work of Construction Contractor(s), subconsultants or TKDA.
8. Initiate action, where appropriate, to identify and investigate the nature and extent of asbestos, petroleum and/or pollution in the project and to abate and/or remove the same as may be required by federal, state or local statute, ordinance, code, rule, or regulation now existing or hereinafter enacted or amended. For purposes of this Agreement, "pollution" and "pollutant" shall mean any solid, liquid, gaseous or thermal irritant or contaminant, including petroleum, smoke, vapor, soot, alkalis, chemicals and hazardous or toxic waste. Hazardous Materials means any substance, waste, pollutant or contaminant (including petroleum) now or hereafter included within such terms under any federal, state or local statute, ordinance, code, rule or regulation now existing or hereinafter enacted or amended. Waste further includes materials to be recycled, reconditioned or reclaimed. CLIENT further agrees it

will, where appropriate, endeavor to identify, remove and/or encapsulate asbestos products, petroleum, pollutants or Hazardous Materials located in the project area prior to accomplishment by TKDA of any work on the project.

If TKDA encounters, or reasonably suspects that it has encountered, asbestos or pollution in the project, TKDA shall cease activity on the project and promptly notify the CLIENT, who shall proceed as set forth above. Unless otherwise specifically provided in the Engagement Letter, the services to be provided by TKDA do not include identification of asbestos or pollution, and TKDA has no duty to identify or attempt to identify the same within the area of the project.

With respect to the foregoing, CLIENT acknowledges and agrees that TKDA is not a user, handler, generator, operator, treater, storer, transporter or disposer of asbestos, petroleum, Pollutant, or other Hazardous Materials which may be encountered by TKDA on the project. CLIENT agrees to hold harmless, indemnify and defend TKDA and TKDA's officers, subconsultant(s), subcontractor(s), employees and agents from and against any and all claims, lawsuits, damages, liability and costs, including, but not limited to, costs of defense, arising out of or in any way connected with the presence, discharge, release, or escape of asbestos, petroleum or other Hazardous Materials or waste on the site. This indemnification is intended to apply only to existing conditions present at the site prior to TKDA's commencement of services, and does not apply to conditions that arise subsequent to TKDA's commencement of services that are caused or created by TKDA.

9. Provide such accounting, independent cost estimating and insurance counseling services as may be required for the project, such legal services as the CLIENT may require or TKDA may reasonably request with regard to legal issues pertaining to the project including any that may be raised by contractor(s), such auditing service as CLIENT may require to ascertain how or for what purpose any contractor has used the monies paid under the construction contract, and such inspection services as CLIENT may require to ascertain that contractor(s) are complying with any law, rule, regulation, ordinance, code or order applicable to their furnishing and performing the work.
10. Provide "record" drawings and specifications for all existing physical plants or facilities which are pertinent to the project.
11. Act promptly to approve all pay requests, Supplemental Agreements, or requests for information by TKDA as set forth herein.
12. Require all Utilities with facilities in the CLIENT's right-of-way to locate and mark said utilities upon request, relocate and/or protect said utilities as determined necessary to accommodate work of the project, submit a schedule of the necessary relocation/protection activities to the CLIENT for review and comply with agreed upon schedule.
13. Provide other services, materials, or data as may be set forth in the Engagement Letter or any Exhibits attached thereto.

B. TKDA shall be entitled to rely on the accuracy and completeness of information furnished by the CLIENT. If TKDA finds that any information furnished by the CLIENT is in error or is inadequate for its purpose, TKDA shall promptly notify the CLIENT.

ARTICLE 9. OPINIONS OF COST

Opinions of probable project cost, construction cost, financial evaluations, feasibility studies, economic analyses of alternate solutions and utilitarian considerations of operations and maintenance costs provided for in the Engagement Letter or any Exhibits attached thereto, are made on the basis of TKDA's experience and qualifications and represent TKDA's judgment as an experienced and qualified design professional. It is recognized that TKDA does not have control over the cost of labor, material, equipment or services furnished by others or over market conditions or contractors' methods of determining their prices, and that any evaluation of any facility to be constructed, or acquired, or work to be performed on the basis of TKDA's cost opinions, must of necessity, be speculative until completion of construction or acquisition. Accordingly, TKDA does not guarantee that proposals, bids or actual costs will not substantially vary from opinions, evaluations or studies submitted by TKDA to CLIENT hereunder. TKDA assumes no responsibility for the accuracy of opinions of probable project costs or construction costs, and provides these estimates for the sole convenience of the CLIENT for the purposes of general project budgeting.

ARTICLE 10. CONSTRUCTION PHASE SERVICES

CLIENT acknowledges that it is customary for the Architect or Engineer who is responsible for the preparation and furnishing of Drawings and Specifications and other construction-related documents to be employed to provide professional services during the Construction Phases of the project, (1) to interpret and clarify the documentation so furnished and to modify the same as circumstances revealed during bidding and construction may dictate, (2) in connection with acceptance of substitute of or equal items of materials and equipment proposed by bidders and contractor(s), (3) in connection with review of shop drawings and sample submittals, and (4) as a result of and in response to TKDA's detecting in advance of performance of affected work inconsistencies or irregularities in such documentation. CLIENT agrees that if TKDA is not employed to provide such professional services during the Construction Phases of the project, TKDA will not be responsible for, and CLIENT shall indemnify and hold TKDA (and TKDA's professional associates and consultants) harmless from, all claims,

damages, losses and expenses including attorneys' fees arising out of, or resulting from, any interpretation, clarification, substitution acceptance, shop drawing or sample approval or modification of such documentation issued or carried out by CLIENT or others. Nothing contained in this paragraph shall be construed to release TKDA (or TKDA's professional associates or consultants) from liability for failure to perform in accordance with professional standards any duty or responsibility which TKDA has undertaken or assumed under this Agreement.

ARTICLE 11. INSURANCE

TKDA shall procure and maintain insurance for protection from claims against it under workers' compensation acts, claims for damages because of bodily injury including personal injury, sickness or disease or death of any and all employees, and from claims against it for damages because of injury to or destruction of property.

Also, TKDA shall procure and maintain professional liability insurance for protection from claims arising out of performance of professional services caused by any negligent act, error, or omission for which TKDA is legally liable.

Certificates of insurance will be provided to the CLIENT upon request.

ARTICLE 12. ASSIGNMENT

This Agreement, being intended to secure the personal service of the individuals employed by and through whom TKDA performs work hereunder, shall not be assigned, sublet or transferred without the written consent of TKDA and the CLIENT. Any assignment of the Agreement, or claims arising under or relating to the Agreement without the written consent of both Parties shall be null and void.

ARTICLE 13. CONTROLLING LAW

This Agreement is to be governed by the laws of the State of Minnesota.

ARTICLE 14. SEVERABILITY

Any provision or portion thereof in this Agreement which is held to be void or unenforceable under any law shall be deemed stricken, and all remaining provisions shall continue to be valid and binding between CLIENT and TKDA.

ARTICLE 15. WAIVER OF CONSEQUENTIAL DAMAGES

CLIENT and TKDA waive consequential damages for claims, disputes or other matters in question arising out of or relating to TKDA's services under this Agreement. This mutual waiver of consequential damages applies and survives termination of this Agreement.

ARTICLE 16. LIMITATION OF LIABILITY

In recognition of the relative risks of CLIENT and TKDA relating to the work, CLIENT agrees, to the extent permitted by law, that TKDA's liability to the CLIENT or anyone claiming through CLIENT for any and all claims, losses, costs, or damages whatsoever arising out of, resulting from or in any way related to the Project or the Agreement from any cause or causes including, but not limited to, the negligence, professional errors or omissions, strict liability or breach of contract, or warranty express or implied, of TKDA or its officers, directors, partners, employees, agents, or consultants, or any of them, shall not exceed the total insurance proceeds paid or available on behalf of or to TKDA by its insurers in settlement or satisfaction of CLIENT's claims against TKDA under the terms and conditions of TKDA's insurance policies applicable thereto.

ARTICLE 17. CONFLICT RESOLUTION

In an effort to resolve any conflicts that arise during the design or construction of the project or following the completion of the project, the CLIENT and TKDA agree that all disputes between them arising out of or relating to this Agreement shall be submitted to nonbinding mediation as a precondition to any formal legal proceedings.

ARTICLE 18. CONFIDENTIALITY

TKDA agrees to keep confidential and not to disclose to any person or entity, other than TKDA's employees, subconsultants and the general contractor and subcontractors, if appropriate, any data and information furnished to TKDA and marked CONFIDENTIAL by the CLIENT. These provisions shall not apply to information in whatever form that comes into the public domain, nor shall it restrict TKDA from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for TKDA to complete services under the Agreement or defend itself from any suit or claim.

ARTICLE 19. UNDERGROUND UTILITIES

If authorized in the Engagement Letter, TKDA and/or its authorized subconsultant will conduct the research that in its professional opinion is necessary and will prepare a plan indicating the locations intended for subsurface penetrations with respect to assumed locations of underground improvements. Such services by TKDA or its subconsultant will be performed in a manner consistent with the ordinary standard of care. The CLIENT recognizes that the research may not identify all underground improvements and that the information upon which TKDA relies may contain errors or may not be complete.

The CLIENT agrees, to the fullest extent permitted by law, to waive all claims and causes of action against TKDA and anyone for whom TKDA may be legally liable, for claims by CLIENT or its contractors for delay or additional compensation relating to the identification, removal, relocation, or restoration of utilities, or damages to underground improvements resulting from subsurface penetration locations established by TKDA.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: April 10, 2023
Item No.: 10.e

Department Approval

City Manager Approval

Item Description: Authorize Food and Beverage Services Agreement Between City of Roseville and Burro Loco Restaurant

BACKGROUND

At the March 22, 2023 meeting the City Council review a draft potential agreement for Burro Loco LLC to become the kitchen/grill vendor for the Cedarholm Community Building. Council provided staff with some minor feedback and authorized staff to complete the agreement and place the final agreement on the consent agenda.

Enclosed is the proposed final agreement (Attachment A). The agreement reflects what was presented on March 22 with only minor alterations and clarifications. One substantive change, based on feedback received, was the expansion of the minimum spring/fall hours to 11:00am – 7:00pm (the original agreement proposed 11:00am – 6:00pm).

POLICY OBJECTIVE

The proposal is consistent with the city practice of providing the best possible service at the lowest cost to citizens and contracting out services where these goals can be met.

BUDGET IMPLICATIONS

The adopted 2023 Cedarholm Community Building budget anticipates \$15,000 in revenue from the kitchen/grill. With the terms of this agreement, \$9,000 would be received annually at minimum, plus 4% of sales. Although the total amount of sales cannot be known, a very conservative estimate based on our own experience and previous vendor would be \$60,000 per year, which would yield an additional \$2,400 to the city or a total of \$11,400. If the kitchen/grill grows, it is reasonable to anticipate revenue that would exceed this very conservative number.

RACIAL EQUITY IMPACT SUMMARY

The proposer, Burro Loco, is a minority and women owned business.

The proposed vendor has indicated their ability to prepare food for a broad cross-section of cultural groups.

As discussed, this proposed agreement does not include a preferred caterer “opt out” for cultural dietary considerations without a fee. With our previous vendor, staff found that the cultural opt out was overused by renters and put staff in the difficult position of determining what was a legitimate

31 cultural accommodation or simply someone who did not want to use the mandated catering vendor.
32 Under the currently proposed agreement, such groups could still “opt out” by paying the non-
33 preferred caterer fee.

34 In observation of this possible concern, an individual with a legitimate cultural concern may submit
35 a timely written appeal to the Parks and Recreation Director for consideration of waiving the non-
36 preferred caterer fee for a narrowly tailored cultural need and financial hardship. The Parks and
37 Recreation Director will have the discretion to waive the fee for cultural considerations for up to five
38 events per year, however, it is the intention of staff to use this authority sparingly, if at all.

39 An additional consideration for equity could be price point and access. The proposed agreement
40 seeks to keep the price point as low as is reasonably possible for daily users and facility renters,
41 while fulfilling the vision of a third party vendor.

5. The City may terminate this Agreement at any time for any reason provided that it gives at least thirty (30) days' written notice of termination or longer as the City determines in its sole discretion. Prior to the date of termination, Burro Loco will continue to provide Services under this Agreement and make Rent Payments and Net Sales Payments as required by this Agreement. ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: April 10, 2023
Item No.: 10.f

Department Approval

City Manager Approval

Item Description: Approve Resolution Authorizing Revocation and Designation of Municipal State Aid Roads

BACKGROUND

On February 13, 2023, Council approved revocation and designation of Municipal State Aid Roadways. Since that time, MnDOT found our mileage of Oakcrest Avenue is actually 0.50 miles instead of 0.48 miles as was indicated in the resolution. Staff is requesting council approve a new resolution with the correct mileage.

The City of Roseville is part of the State's Municipal State Aid Street system. As part of being a Municipal State Aid (MSA) city, each city can designate up to 20% of its roadway mileage to the MSA system. Each year, the City of Roseville has an opportunity to re-designate which roads are MSA roads and which are local roads. In order to be an MSA road, the following criteria must be met:

- Projected to carry a relatively heavier traffic volume or are functionally classified as collector or arterial streets.
- Connect the points of major traffic interest within an urbanized municipality.
- Provide an integrated street system.
- Connect roadways which are MSAS streets, County State Aid Highways or Trunk Highways.

To correct some gaps in the system and to put mileage on higher traffic roadways to collect additional MSA funds, staff recommends these changes to provide the best long-term use of MSA funds. In order to designate the additional mileage to the MSA system, the following changes are recommended:

- Revoke – MSAS 228 – Oakcrest Avenue, from Fairview Avenue to W Snelling Service Drive (0.50 existing miles)
- Designation – MSAS 266 – W Snelling Service Drive, from Roselawn Avenue to County Road B (0.50 new miles)

MnDOT has confirmed the new MSA designations meet MSA standards.

25 **POLICY OBJECTIVE**

26 It is City policy to keep City-owned infrastructure in good operating condition and to keep systems
27 operating in a safe condition.

28 **BUDGET IMPLICATIONS**

29 There are no direct budget impacts. The system revision to a higher volume roadway will increase
30 the MSA needs slightly for the City.

31 **RACIAL EQUITY IMPACT SUMMARY**

32 There should be no equity impacts associated with this changes to MSA routes.

33 **STAFF RECOMMENDATION**

34 Staff recommends Council adopt the attached resolution approving the revocation and designation of
35 municipal state aid roads.

36 **REQUESTED COUNCIL ACTION**

37 Consider approval of a resolution approving the revocation and designation of municipal state aid
38 roads.

Department Approval

City Manager Approval

Item Description: Approve Ramsey County Ditch 4 Maintenance and Inspection Memorandum of Agreement

BACKGROUND

Ramsey County Ditch 4 (RCD4) starts in the Gluek Lane Neighborhood and flows north through a storm sewer pipe to Oasis Pond and eventually to Little Lake Johanna. In 2023, the City will construct a crossing over RCD 4, north of Terrace Drive, to make a trail connection to Oasis Park. To help with construction of this new crossing, the City is working with the Rice Creek Watershed District (RCWD) to dredge the ditch and perform other maintenance activities while equipment is on-site. Since dredging and maintenance of the ditch is a function of the RCWD, the district is open to reimbursing the City to perform this work instead of the district having to perform this work ahead of our project.

As part of the City's normal maintenance inspections, City staff walks the ditch to identify issues and also inspect other public infrastructure. RCWD values the City inspections and involvement, and is open to reimbursing the City for any inspections of their jurisdictional sections of RCD 4.

This Maintenance and Inspection Memorandum of Agreement (MOA) is a standard agreement that the RCWD uses with cities in their jurisdiction. The MOA allows cities to program maintenance activities of RCWD owned infrastructure, and city time and materials spent on these activities can be reimbursed. This allows cities to maintain drainage infrastructure within their boundaries in a timely and efficient manner.

Annually, Roseville will work with the RCWD to finalize a work plan. This work plan will take into account any work we have going on adjacent to RCD 4, and we will also look at any maintenance activities we can effectively do at the same time. RCWD will reimburse Roseville for any costs associated with the approved work plan. If there is a major issue with the ditch that arises, the City would work with the RCWD outside of this MOA to correct the issue.

POLICY OBJECTIVE

It is City policy to keep City-owned infrastructure in good operating condition and to keep systems operating in a safe condition. As Ramsey County Ditch 4 drains into City infrastructure, it is in the best interest of the City to inspect all of the infrastructure at the same time.

BUDGET IMPLICATIONS

There are no direct costs associated with this Memorandum of Agreement. The only costs will be staff time preparing the annual work plan, and reporting findings to the Rice Creek Watershed District.

RACIAL EQUITY IMPACT SUMMARY

There should be no equity impacts associated with this agreement.

MEMORANDUM of AGREEMENT

City of Roseville and Rice Creek Watershed District
*Memorandum of Agreement Regarding Inspection and Maintenance of
Public Drainage Systems within the City*

This Memorandum of Agreement (“MOA”) is entered into by the City of Roseville (Roseville) and the Rice Creek Watershed District (“RCWD”), political subdivisions of the State of Minnesota.

WHEREAS, all or portions of various public drainage systems under jurisdiction of the RCWD exist within the City of Roseville, Ramsey County, Minnesota; and

WHEREAS, the RCWD is the watershed management organization for the drainage area of the public drainage systems within the meaning of Minnesota Statutes Chapter 103B and the drainage authority for said systems within the meaning of Minnesota Statutes Chapter 103E; and

WHEREAS, pursuant to its obligations as drainage authority, RCWD implements an inspection program and a program of minor maintenance for the drainage systems and is solely responsible for the inspection and repair of the drainage systems; and

WHEREAS, Roseville wishes to undertake inspection and minor maintenance of any public drainage systems within the City with RCWD reimbursement, and Roseville and the RCWD believe there are administrative and other benefits if Roseville does so;

NOW, THEREFORE BE IT RESOLVED that Roseville and the RCWD enter into this MOA to provide for Roseville to undertake inspection and minor maintenance of public drainage systems within the City and agree as follows:

1. For the period of January 1, 2023 to December 31, 2027, Roseville will assume responsibility to continue a program of inspection and minor maintenance as follows:
 - a. For the remainder of calendar and budget year 2023, Roseville shall develop an annual work plan and budget for submission to the RCWD for review and approval no later than March 31, 2023. Roseville’s annual work plan and budget for 2023 shall be limited to the budgeting dollar value approved by the RCWD Board for 2023 or to available prioritized or re-prioritized funds as reviewed and approved by RCWD staff in coordination with the City during workplan approval.
 - b. Thereafter, for each subsequent calendar and budget year (2024-2027), Roseville shall develop an annual work plan and budget for submission to the RCWD staff for review no later than May 1 of each preceding year. RCWD staff will review the proposed annual work plan and budget within 30 days and coordinate with City staff to revise the workplan prior to its presentation to the RCWD Board and recommendation for inclusion in the subsequent year budget. RCWD staff will present the annual work plan and budget to its Board by June 1 or shortly thereafter.

- c. Unless approved by the RCWD, Roseville shall limit implementation to those activities defined in the approved work plan.
 - d. Additional work for unplanned or unforeseen issues that demonstrate a reasonable need may be approved by RCWD staff after final work plan approval.
 - e. Prior to submitting any pay request, Roseville shall provide an accounting of funds expended and work performed under this agreement.
 - f. The RCWD will reimburse Roseville for reasonable costs associated with and consistent with the approved work plan in the amount budgeted therefore and any additional work approved for unplanned or unforeseen issues.
2. The RCWD shall remain responsible for the public drainage systems within the City both as public drainage authority and MS4 permit holder. The RCWD and Roseville will copy each other on all correspondence with third parties concerning public drainage system inspection and maintenance and will communicate in good faith concerning any maintenance or other unplanned or unforeseen issues that arise.
3. Roseville will obtain all applicable permits and approvals, including those of the RCWD, and otherwise meet all applicable legal requirements related to inspection and maintenance activities. It is understood that currently no formal permit should need to be secured from the Corps of Engineers, DNR, or RCWD for maintenance activities provided that work is undertaken constitutes minor maintenance. Roseville and the RCWD will cooperate to facilitate programmatic and project-specific concurrence of the Minnesota Department of Natural Resources in maintenance activities.
4. Consistent with the work plan and budget, the RCWD will reimburse Roseville for reasonable costs associated with undertaking of inspection and maintenance within 30 days of Roseville's submission of an invoice/pay request.
5. Roseville is authorized to use the ditch authority right-of-way without RCWD warranty, but Roseville's performance of maintenance otherwise is entirely under its own discretion, control, and municipal authority, and Roseville in no respect acts as the agent or representative of the RCWD. This MOA is not to be construed as creating a partnership or joint venture or as a joint powers agreement under Minnesota Statutes §471.59.

Roseville shall indemnify, defend, and hold harmless the RCWD, its officers, board members, employees and agents from any and all action, costs, damages and liabilities of any nature to the degree they are the result of any action or inaction by Roseville that is the basis for Roseville's liability in law or equity.

The RCWD shall indemnify, defend, and hold harmless Roseville, its officers, council members, employees and agents, from any and all actions, causes of action, costs, damages and liabilities of any nature to the degree they are the result of any action or inaction by the RCWD that is the basis for the RCWD's liability in law or equity.

Under no circumstances, however, shall a party be required to pay on behalf of itself and other parties, any amounts in excess of the limits on liability established in Minnesota Statutes Chapter 466 applicable to any one party. The limits of liability for some or all of the parties may not be added together to determine the maximum amount of liability for any party.

6. Communications under this MOA shall be addressed to the following, unless changed in writing:

Roseville, MN 55113

Administrator

7. This MOA is intended to be consistent with and does not supersede, in whole or part, any other existing agreement between Roseville and the RCWD.
8. This MOA does not waive and is not contrary to any authority or responsibility of the RCWD under Minnesota Statutes Chapters 103B, 103D, and 103E.
9. Roseville and the RCWD each intend to be bound by this MOA, represent the valuable consideration has been given and received, and waive any claim to the validity or binding nature of this MOA. This MOA grants no rights to anyone not a party to this Agreement and waives no immunity as to (a) third parties or (b) any non-contract action between Roseville and the RCWD.
10. This MOA may be terminated by either party upon 90 days' written notice.

Department Approval

City Manager Approval

Item Description: Consider Approval of the 2023 Wellness Program for City Employees

BACKGROUND

Based upon the recommendation of the city attorney, Council is being asked to formally approve the city's 2023 Wellness Program for employees.

For many years, the city has offered a voluntary wellness program that employees can participate in with the intention of promoting health and wellness to benefit employees as well as lower the cost of providing health insurance. Over 75% of healthcare spending is caused by preventable health risks, such as inadequate exercise, high cholesterol, cardiovascular disease, obesity and high blood pressure.

The city's wellness year runs October – September each year, with different programs and activities available for employees to participate in. As part of our contract with our insurance pool, we are allocated a certain dollar amount annually for which we are eligible to receive reimbursement of approved health and wellness expenditures. For 2023, the amount we are eligible to receive in reimbursement for approved expenditures is \$11,400.

The city has an employee wellness committee that meets regularly to layout the strategic plan of the wellness program and define the particulars around each program submitted for approval. Attached is the 2022-2023 Strategic Wellness Plan as well as the budget submitted to our insurance pool that was approved for reimbursement.

Employee wellness programs have been proven to benefit both employers and employees¹. Listed below are key benefits of a wellness program.

- **Increased Productivity:** Wellness activities can increase productivity and performance as employees feel more focused and motivated to complete tasks.
- **Adopt Healthy Behaviors:** Employees can reduce their risk of severe health problems and help prevent chronic disease leading to reduced cost for the city.
- **Improved Employee Retention:** Wellness programs have been proven to have a positive impact on employee retention. Successful programs help keep employees loyal and happy in their jobs.

POLICY OBJECTIVE

To promote an inclusive setting, awareness and understanding of whole health by creating a

supportive community within the city organization, while encouraging participation through education, opportunities and rewards.

BUDGET IMPLICATIONS

Each year the city receives an allocation from the city's insurance pool from which we can seek reimbursement to promote health and wellness for our employees. For 2023, the maximum amount of reimbursement is \$11,400. The city's wellness program budget is attached.

RACIAL EQUITY IMPACT SUMMARY

According to the CDC, Racism—both interpersonal and structural—negatively affects the mental and physical health of millions of people, preventing them from attaining their highest level of health, and consequently, affecting the health of our nation.

Social determinants of health are key drivers of health disparities within communities of color, placing those within these populations at greater risk for poor health. The data shows that racial and ethnic minority groups, throughout the United States, experience higher rates of illness and death across a wide range of health conditions, including diabetes, hypertension, obesity, asthma, and heart disease, when compared to their White counterparts. Additionally, the life expectancy of non-Hispanic/Black Americans is four years lower than that of White Americans. The COVID-19 pandemic, and its disproportionate impact among racial and ethnic minority populations is another stark example of these enduring health disparities.²

Workplace wellness programs have many components to help improve health outcomes and decrease health disparities.

ROSEVILLE
REQUEST FOR COUNCIL ACTION

Date: April 10, 2023

Item No.: 10.j

Department Approval

City Manager Approval

Item Description: Approve Metropolitan Council Environmental Services Municipal Inflow and Infiltration Grant Agreement

BACKGROUND

Metro Cities (Association of Metropolitan Municipalities) championed the inclusion of a grant program in the 2020 bonding bill for the purpose of providing grants to municipalities for capital improvements to public infrastructure to reduce the amount of inflow and infiltration (I/I) to the Metropolitan Council Environmental Service's (MCES) metropolitan sanitary sewer disposal system. Their efforts were successful and \$8.7 million was approved in the bonding bill.

To be eligible for a grant, a city must be identified by the Metropolitan Council as a contributor of excessive inflow and infiltration. Roseville is among these cities and is eligible for this grant. Grants from this appropriation are a guaranteed \$25,000 for each city, with the rest of the funding distribution based on the percentage of work completed by each individual city compared to the total amount of work from all applicants. Projects must be completed between January 1, 2021 and December 31, 2022. The council must award grants based on applications from eligible cities that identify eligible capital costs and include a timeline for inflow and infiltration mitigation construction, pursuant to guidelines established by the council. Final Reimbursement Amount determination and grant agreement will be distributed May 1, 2023.

One of the required documents is a resolution approving a grant agreement between the Metropolitan Council and the City of Roseville for grant eligible work. This resolution would allow the City of Roseville and the Metropolitan Council to enter into an agreement and authorizes the City Manager to execute the Grant agreement, subject to minor modifications and final review by the City Attorney.

POLICY OBJECTIVE

It is City policy to keep City-owned infrastructure in good operating condition and to keep systems operating in a safe condition.

BUDGET IMPLICATIONS

The grant functions as a reimbursement so cities must submit all of their eligible work and then final grant dollars are determined. The City will submit approximately \$3.6 million of eligible work with an estimated grant reimbursement of \$135,700. Grant funds would reimburse the sanitary sewer fund.

RACIAL EQUITY IMPACT SUMMARY

There should be no equity impacts associated with this agreement.

STAFF RECOMMENDATION

Staff is requesting that Council approve the application for the MCES Municipal Inflow and Infiltration Grant for improvements to the City's sanitary sewer infrastructure to reduce inflow and infiltration, and that the City Manager be authorized to execute the Grant Agreement subject to minor modifications and final review by the City Attorney.

REQUESTED COUNCIL ACTION

Adoption of a resolution approving a grant agreement between the Metropolitan Council and the City of Roseville and authorizing the City Manager to execute said agreement, subject to minor modifications and final review by the City Attorney.

Department Approval

City Manager Approval

Item Description: Receive Annual Police Forfeiture Accounts Summary

BACKGROUND

In 2011, Council asked for an annual summary of information related to the year's activities in the forfeiture accounts. This memorandum is Attachment A. An updated memorandum providing summary information on police forfeiture funds is attached as a reference- Attachment B.

OBJECTIVE

Accept summary information of account activities.

BUDGET IMPLICATIONS

There is no cost to the city.

RACIAL EQUITY IMPACT SUMMARY

Upon review, staff has not identified a disparate racial equity impact in relation to this request for council action. However, as noted in the 2022 Forfeiture Accounts Summary, the Police Department adjusted its DWI forfeiture procedures to increase the vehicle value threshold. Forfeiting a vehicle can have unintended and disparate impacts on families based on income levels.

STAFF RECOMMENDATION

Council receipt of summary memorandums on forfeiture accounts.

REQUESTED COUNCIL ACTION

Request Council receipt of summary memorandums on forfeiture accounts.

MEMORANDUM

DATE: August 25, 2011

TO: City Manager Bill Malinen

FROM: Chief Rick Mathwig

SUBJECT: Forfeiture Information

This memorandum is in response to Mayor Roe's request for a report related to questions raised by a citizen.

Property seized and ultimately forfeited by the Roseville Police Department is governed by Minnesota statutes: 169A.63 as it pertains to vehicle forfeitures for aggravated drunk driving arrests, and 609.531 as it pertains to vehicle and property seized for designated offenses such as narcotics, burglary, and other crimes.

Other property forfeited by the Police Department, not governed by Minnesota statutes, is generally related to our narcotics officer assigned to the Ramsey County's Violent Crime Enforcement Team (VCET). A percentage of their forfeitures are in concert with federal agencies such as the DEA. Those forfeitures are under the direction of federal laws which are similar to those in Minnesota.

Each Minnesota statute contains numerous subdivisions which strictly control forfeitures and the appeal processes afforded to those whose property is seized by law enforcement.

Upon seizure of property to be forfeited the owner is issued a receipt for the property and is issued written documentation on how to contest the seizure in court. This information is written in multiple languages and the law enforcement agency must be certain the person understands the seizure and the appeal process or the seizure will be considered invalid.

Once property has been legally seized and forfeited state statutes dictate how the proceeds should be dispersed. This process differs among crimes, but involving aggravated DWI offenses, the law enforcement agency retains seventy percent of the proceeds and thirty percent is forwarded to the prosecuting attorney. For crimes involving narcotics, burglary, etc., percentages differ but in general the law enforcement agency retains seventy percent of the proceeds, twenty percent is forwarded to the prosecuting attorney and the remaining ten percent is sent to the State of Minnesota's Crime Victim's Fund.

The Minnesota Peace Officers Standards and Training Board (POST) is the state entity that holds all professional licenses of peace officers in Minnesota. POST provides many functions one of which is offering model policies based on best practices in law enforcement. Some of the model policies are considered mandatory; *Procession of Property Seized for Administrative Forfeiture* is a required policy of all law enforcement agencies in Minnesota. The model policy was implemented in 2011. The model policy did not change our forfeiture operations in any significant manner.

Minnesota statutes mandate every forfeiture be reported to the Office of the State Auditor.

The citizen's questions raised to the Council are directly related to the now defunct Gang Strike Force and not my Department. I do not have intimate details of the Gang Strike Force's former operations but what has been established is some members of the Gang Strike Force disregarded state and federal statutes which dictate the process of seizing and ultimately forfeiting property from suspects in criminal activity.

These web links will allow access to expanded information on forfeiture guidelines and regulations.

Forfeitures related to aggravated DWI offenses:
<https://www.revisor.mn.gov/statutes/?id=169A.63>

Forfeitures related to other crimes: <https://www.revisor.mn.gov/statutes/?id=609.531>

Model policies of POST: <https://dps.mn.gov/entity/post/model-policies-learning-objectives/Pages/default.aspx>

The citizen's questions also address the expenditure of forfeiture funds. State statutes mandate the funds are to be used to "supplement" law enforcement's activities and budgets. Historically, the Department has used forfeited funds related to aggravated DWI offenses to supplement its efforts in combating DWI. The Department has used forfeited funds related to other crimes in a more general sense in supplementing budgetary limitations. Many times expenses related to the Roseville members of East Metro SWAT are paid by this forfeiture account.

All expenditures are authorized by the Chief of Police and paid by the Finance Department.

There is no manner to realistically forecast expected expenditures of these accounts as forfeiture statutes mandate the funds be used to "supplement" the financial needs of a law enforcement agency and not replace budgetary funding.

The forfeiture accounts have been used to bridge the CIP shortfall and actual needs of the Department in effectively and efficiently providing public safety functions to the citizens, businesses and visitors to Roseville.

There are many day to day operational items that have been purchased by these funds to include: automobile window tint meters, Tasers, legal defense related to forfeitures which is outside the contract of the city attorney, preliminary alcohol breath test meters, over \$100,000 was used to purchase the Department's current mobile computers, Police Reserve appreciation dinner, and many other uses. I expect future expenditures will be similar to the past.

I hope this memorandum provides enough guidance on the criminal forfeiture process and am willing to answer additional questions.

MEMORANDUM

Attachment B

DATE: April 10, 2023

TO: City Manager Patrick Trudgeon

FROM: Chief of Police Erika Scheider

SUBJECT: Summary information on Police Forfeiture funds

In August of 2011, Council requested an annual document summarizing forfeiture account activities. The accompanying memorandum, which describes the Police Department's forfeiture accounts, serves as foundation.

The Police Department forfeiture accounts are labeled as: Federal Equitable Sharing- Narcotics, Narcotics Forfeiture, and Alcohol Forfeiture.

- The Federal Equitable Sharing- Narcotics account holds funds forfeited for federal controlled substance violations. As of July, 2018, per new federal guidelines, equitable sharing funds are no longer dispersed to local agencies as funds are used to support task force (Ramsey County Violent Crime Enforcement Team) operations.
- The Narcotics Forfeiture account holds funds forfeited for controlled substance offenses and other "designated offenses", as defined in Minnesota statutes. In 2020, the Department completed a comprehensive policy and procedure manual revision. Per policy, beginning in 2021, the Department no longer pursues cash forfeitures under \$2,000 due to the unintended impacts on low-income communities.
- The Alcohol Forfeiture account holds only funds forfeited for DWI related offenses. In 2018, the Department altered its operating procedures on forfeiting vehicles. The Department will only forfeit vehicles driven in felony DWI offenses and those vehicles must have a value of at least \$5,000.

This change was made for the following reasons:

- Forfeiting a vehicle can have unintended and disparate impacts on families based on income levels.
- Over the past three years, the Department lost over \$25,000 forfeiting vehicles due to expenses and the low return rate at auction, etc.
- Access to secure storage parking lots is expensive.
- Ramsey County judges are increasingly ruling in favor of innocent owner claims.
- Ramsey County judges are returning vehicles to arrested parties and the Department is mandated to pay storage costs.

REQUEST FOR COUNCIL ACTION

Item No.: 10.1

Department Approval

City Manager Approval

Item Description: Authorize Roseville Police to Apply to Host a Summer Impact Corps Housing Stability Fellow

BACKGROUND

The Roseville Police Department (RPD) requests the Council consider authorizing the Roseville Police Department (RPD) to apply to host an AmeriCorps Summer Impact Corps Housing Stability Fellow.

In 2021, the Roseville Police Department applied for and was selected as a host site for a Housing Resource Navigator through AmeriCorps. The outreach worker was embedded in the RPD Community Action Team and supported individuals and families experiencing homelessness - navigating resources to secure safe and stable housing. The navigator assessed individuals' unique needs to remove barriers to long term stable housing. The position was instrumental in helping members of the community overcome systematic inequities related to safe and stable housing. The position furthered the Roseville Police Department's mission to provide public safety services for the City of Roseville.

On March 6, 2023 the Roseville City Council accepted HOME-ARP funds awarded to the Roseville Police Department (RPD) for continuance of our homeless outreach efforts through our embedded housing navigator.

Roseville's Housing Navigator has learned the need for referrals for resources to keep neighbors housed will continue growing, especially over the summer months and has identified a new partnership with AmeriCorps as an opportunity to expand housing navigator services and support the anticipated increase in individuals and families qualifying for housing support services.

The Roseville Police Department seeks to augment current capacity through hosting an AmeriCorps Summer Impact Corps Housing Stability Fellow over the summer months, a time of year the Roseville community typically experiences higher need for housing stability services. The Housing Stability Fellow would support the department's Housing Navigator, working alongside the department's Community Action Team (CAT) and Ramsey County Crisis Unit (RCC) and People Incorporated social workers as well as community partners to expand upon its approach to delivering services.

POLICY OBJECTIVE

The Roseville Police Department seeks to continue and expand the services available to individuals and families experiencing homelessness or housing instability. Continuing these services advances the

32 City's community aspiration of Secure in our diverse and quality housing and neighborhoods.

33 **FINANCIAL IMPLICATIONS**

34 There are minimal anticipated financial implications. Summer Impact Corps Housing Stability Fellows
35 earn a stipend, health insurance, and funding for tuition or student loans paid through the AmeriCorps
36 program. In the past a site fee was requested, however, since this program is twelve weeks instead of a
37 year, the site fee will be waived. The police department would cover any site related expenses through
38 existing budgets and other funding sources.

39 **RACIAL EQUITY IMPACT SUMMARY**

40 BIPOC communities across the country are disproportionately impacted by homelessness due to
41 structural racism and disparities in access to health care, economic opportunities, housing, and
42 education. Roseville is not immune from these disparities. This initiative seeks to disrupt the disparities
43 that exist by expanding housing services available to those who are experiencing homelessness or
44 housing instability.

45
46 **STAFF RECOMMENDATION**

47 Staff recommends Council approval to authorize the Roseville Police Department to submit an
48 application to continue a proven partnership with AmeriCorps in hosting a Summer Impact Corps
49 Housing Stability Fellow.

50 **REQUESTED COUNCIL ACTION**

51 The Police Department seeks Council authorization to apply to host an AmeriCorps Summer Impact
52 Corps Housing Stability Fellow, continuing an innovative partnership, one that is generating successful
53 outcomes in helping members of the community navigate resources and overcome barriers to safe and
54 stable housing.

Item Description: Authorize Public Art Agreement with Lori Greene and Resolution of Acceptance of Donation

BACKGROUND

At the February 27, 2023 City Council meeting, staff presented a proposed donation of public art to the Harriet Alexander Nature Center from John and Kris Robertson-Smith, facilitated by the Friends of Roseville Parks. The proposal called for installation of three mosaic cairns to be completed by artist Lori Greene. The project will be funded using the donation from the Roberson-Smiths and facilitated by the Friends of Roseville Parks.

At that meeting, Council authorized staff to move forward with the acceptance of the donation and implementation. Enclosed is a resolution of acceptance (Attachment A) and the proposed agreement with Lori Greene (Attachment B) to complete the project as was outlined at the February 27, 2023 meeting. The agreement has been reviewed by the City Attorney.

POLICY OBJECTIVE

According to the Americans for the Arts Public Art Council: "Cities gain economic, cultural and social value from public art." In addition to the public art value, the proposed piece is being donated with the explicit purpose of drawing more residents to the Harriet Alexander Nature Center, which in turn, will expose them to the numerous documented health and wellness benefits derived from connections to natural spaces.

The proposed project is consistent with the City policy of effectively using non-City funds to enhance or further-develop City facilities.

BUDGET IMPLICATIONS

All funds for the project will be donated. City staff time will be contributed to management of the project.

RACIAL EQUITY IMPACT SUMMARY

Lori Greene is a multiracial person (African American, Native American-Mississippi band of Choctaw, and Caucasian) who brings a unique voice and perspective to public art. Ms. Greene has a strong history of ensuring that historically underrepresented populations are engaged in her process and represented in the art that she creates, which will assist her in ensuring that underrepresented voices are part of the process in Roseville.

STAFF RECOMMENDATION

A motion to approve resolution to accept the donation of public art.

31
32 A motion to authorize the Mayor and City Manager to enter into an agreement with Lori Greene for
33 the provision of public art, as previously outlined.

beginning of the year, the City estimates how much money is going to be in a fund at the end of the year. To him, it seems like the City was missing quite a lot of money at the end of 2021 in the Water Fund and he does not know why staff and the outside accountants did not notice that at the end of 2021. It seemed very odd to him that no one missed that large amount of money.

Mayor Roe noted regarding Pioneer Park, he understood the park was named more in honor of longtime Roseville families who donated the land for the park.

5. Recognitions, Donations, and Communications

a. Women's History Month Proclamation

Mayor Roe read the Women's History Month Proclamation.

Strahan moved, Etten seconded, proclaiming March 2023 Women's History Month.

Roll Call

Ayes: Etten, Schroeder, Groff, Strahan, and Roe.

Nays: None.

b. Accept Donation of Public Art Piece to the Harriet Alexander Nature Center

Parks and Recreation Director Matthew Johnson briefly highlighted this item as detailed in the Request for Council Action and related attachments dated February 27, 2023.

Councilmember Strahan explained not related to this item in particular but for something for consideration later on, it was mentioned in this proposal that the City of Roseville does not currently have a public arts masterplan and something the City should consider speaking on, not specifically whether or not the Council accepts this because she thought this sounds like a fantastic plan.

Public Comment

Mayor Roe offered an opportunity for public comment with no one coming forward.

Groff moved, Strahan seconded, accepting donation of Public Art Piece to the Harriet Alexander Nature Center.

Council Discussion

Councilmember Groff thought it was excellent that Lori Greene was chosen. She worked with Arts Roseville on the project at the library and her including the community is the best he has seen of any artist, as far as reaching out and working with them. The brilliant thing about Lori Greene is that she is the artist over arching the

entire thing so there is a unifying force behind it and that leads in perfectly with the students because the students can do parts of it but she is the one who is pulling it all together and is why it was successful. He knew that Ms. Greene would make something really wonderful for the nature center.

Councilmember Strahan agreed and wanted to make sure there is ongoing maintenance of the artwork, so it maintains its beauty and continues to offer a respectful piece. She explained she was really excited about this and the work the Ms. Greene has done.

Councilmember Etten concurred and loved this. He thought it was great that there is a robust public piece, which was seen also at Rice and Larpenteur. He thought this was a great way to connect the community. He agreed that looking at a larger picture on how the public art works in the City would be a good thing to do long-term.

Councilmember Schroeder wanted to add that it started with long-term volunteers who are making this donation to start with someone who has been in the community and helping out the community for a long time as well as help from the Friends of the Parks, which is a great organization to be involved. She thought all of the pieces came together nicely and she supported this and is really excited to see this evolve.

Roll Call

Ayes: Etten, Schroeder, Groff, Strahan, and Roe.

Nays: None.

6. Items Removed from Consent Agenda

a. Approve Partnership with People Incorporated to Expand Mental Health Service

At the request of Councilmember Strahan, City Manager Trudgeon briefly highlighted this item as detailed in the Request for Council Action and related attachments dated February 27, 2023.

Councilmember Strahan indicated the main reason she had asked for this item to be considered separately from the other Consent items is the importance of it. This is a big step that often the City's residents and constituents do not know about and she wanted to make sure the residents hear about how the process works. Also, that the City had a better understanding on how this would augment the services already being provided and what they would be between the various agencies. Long-term, she knows the City had NYFS as well as Ramsey County and this, which are all great tools but she wanted to make sure that these are working in tandem with each other.

Chief Erika Scheider was at the meeting and reviewed how these programs would work together in the City.
