with the City Council

BACKGROUND

Each year, the Public Works, Environment, and Transportation Commission meets with the City Council to review activities and accomplishments and to discuss the upcoming year's work plan and issues that may be considered. The following are activities of the past year and issues the Commission would like to take up in the next year:

Activities and accomplishments:

- o Comprehensive Storm water Management Plan
- o Drafting of Complete Streets Policy
- o Recycling Contract and Community Values Process and draft RFP
- o Revised Assessment Policy
- o Metro Transit service discussion
- o Committee work with Parks & Recreation NRATS on Pathway Master Plan
- o LED street lighting review

Work Plan items for the upcoming year:

- o Ms4 revised permit requirements
- o Asset Management updates on an annual basis
- o Additional Pathway Master Plan work

Question or Concerns for the City Council:

- o Pavement Condition Index goals with cost benefits of the current targets
- o Metro Transit – rapid transit process and Central Corridor re-routing of bus routes
- o Organized waste collection
