# Hispanic Heritage Month September 15 - October 15, 2013

**Whereas**: The City of Roseville recognizes and honors contributions of all members of our community; and

**Whereas**: September 15 is the anniversary of independence for five Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua; and Mexico achieved independence on September 16; and Chile achieved independence on September 18; and

**Whereas**: In 1988 the United States Congress adopted a resolution designating September 15 to October 15 of each year as National Hispanic Heritage Month; and

**Whereas**: Hispanic Americans bring a rich cultural heritage representing many countries, ethnicities and religious traditions which contribute to America's future; and

**Whereas**: The Hispanic community has a long history of contributions in language, history, music, arts, written words, education, sports, discoveries and other areas; and

**Whereas**: The City of Roseville invites all members of the community to celebrate 2013 Hispanic Heritage Month "Hispanics: Serving and Leading Our Nation with Pride and Honor;" and

**Whereas**: During National Hispanic Heritage Month, the United States celebrates the culture and traditions of Spanish speaking residents who trace their roots to Spain, Mexico, Central America, South America and the Caribbean.

**Now, Therefore Be It Resolved**, that the City Council hereby proclaim September 15 to October 15, 2013 to be Hispanic Heritage Month in the City of Roseville, County of Ramsey, State of Minnesota, U.S.A

**In Witness Whereof**, I have hereunto set my hand and caused the Seal of the City of Roseville to be affixed this ninth day of September 2013.

	Mayor Daniel	J. Roe

Timothy O'Neill

Item Description: Accept Donations for Replacement of the Fire Department Flammable Liquid Response Unit

#### BACKGROUND

In 1991, as part of the recommendations from the Pipe Line Safety Committee, the Fire
Department took delivery of a specialized fire engine with foam firefighting capabilities for
flammable liquid fires.

5

The City of Roseville is unique in the fact we have three major fuel storage and loading facilities with the combined fuel storage capacity of more than 83 million gallons of fuel products. As part of the storage and loading operations there are an estimated 400 tankers moving in and out of the City daily.

9 10 11

12

13

The Fire Department has a long history of cooperation with the fuel storage facilities including annual on-site training. The replacement of the units, customized for response and mitigation to the fuel facilities, are structured as a partnership between the City and the facilities. The partnership consists in a financial commitment assisting with the cost of the replacement units.

14 15

17

18

20

The specialized engine purchased in 1991 is now more than twenty years old and in need of replacement. The Fire Department has evaluated potential replacement options and replacement costs and has determined that the most effective and cost efficient method of replacement is through replacing our current utility pick-up truck, which is also more than twenty years old and in need of replacement, along with the 1991 engine with a new utility truck and specialized foam trailer.

212223

24

25

The utility truck will pull the trailer making it capable of reaching further into the fuel storage and loading facilities than the current engine, and have twice the foam capacity of the current engine. The estimate for replacing the current specialized fire engine with foam firefighting capabilities and separate utility pick-up truck would be about \$800,000.

262728

29

On February 13, 2013 Council approved the Fire Department to purchase the new foam trailer and utility truck in partnership through donations from Lubrication Technologies, Magellan Midstream Holdings, and NuStar Corporation.

15

16

17

18 19

City Code section 103.05 establishes the requirement that all general purchases and/or contracts in

excess of \$5,000 be approved by the Council. In addition, State Statutes require that the Council

authorize the sale of surplus vehicles and equipment.

## 6 General Purchases or Contracts

7 City Staff have submitted the following items for Council review and approval:

Department	Vendor	Description	Amount	Budget / CIP
Utilities	Ferguson Waterworks	AMR data collector antenna (a)	\$ 20,196.25	
Park & Rec	Upper Cut Tree Services	Buckthorn removal @ Langton Lake (b)	14,000.00	CIP

# Comments/Description:

- a) The purchase of the data collector antenna is part of the move to a citywide Automated Meter Reading (AMR) system. This is an additional antenna for the Millwood/Brenner area.
- b) The removal of buckthorn debris is in conjunction with the Conservation Partners Legacy Grant Project and the Parks Renewal Program.

# Sale of Surplus Vehicles or Equipment

City Staff have identified surplus vehicles and equipment that have been replaced and/or are no longer needed to deliver City programs and services. These surplus items will either be traded in on replacement items or will be sold in a public auction or bid process. The items include the following:

Department	Item / Description
N/A	N/A

# 20 POLICY OBJECTIVE

21 Required under City Code 103.05.

# 22 FINANCIAL IMPACTS

Funding for all items is provided for in the current operating or capital budget.

# STAFF RECOMMENDATION

Staff recommends the City Council approve the submitted purchases or contracts for service and, if applicable, authorize the trade-in/sale of surplus items.

# REQUESTED COUNCIL ACTION

Motion to approve the submitted list of general purchases and contracts for services; and where applicable, the trade-in/sale of surplus equipment.

Item Description: Approve an Amendment to the Lease Agreement with AT&T Wireless (formerly

Cingular) for Additional Ground Space at the Water Tower Site

### BACKGROUND

On March 13, 2006 the City of Roseville and Cingular Wireless (now AT&T Wireless) entered into a lease agreement to allow for the installation of wireless communications equipment on the water tower and surrounding ground space.

5

7

8

9

10

2

4

Consistent with emerging industry standards, AT&T has asked for approval to install a separate 4' x 10' equipment shelter to house a generator that would ensure uninterrupted wireless communications during a power failure. The shelter would be fully enclosed and screened by the existing fence that surrounds the perimeter of the tower. Further screening would come from the Fire Station #2 building, existing communications shelters and equipment, trees and shrubs, and existing topography. The generator would not be seen nor heard from any homes in the area.

11 12 13

The equipment shelter is proposed to be 40 square feet and would not require any zoning approvals. City Code allows for accessory buildings with a footprint up to 200 square feet without a variance. However, the additional ground space necessary for the shelter requires an amendment to the current Lease.

15 16 17

14

City Staff and the City Attorney have approved the language in the attached lease amendment. In exchange for the additional leased space, AT&T will pay approximately \$280 annually which will be adjusted in subsequent years by an inflationary rate.

192021

18

City Staff will be present at the Council Meeting to address any questions.

## 22 POLICY OBJECTIVE

Not applicable.

# 24 FINANCIAL IMPACTS

- 25 The City would receive an additional \$280 annually (adjusted for inflation) under the lease amendment.
- These monies will help offset costs associated with the City's Information Technology function.

# 27 STAFF RECOMMENDATION

28 Staff recommends approval of the lease amendment.

REQUESTED COUNCIL ACTION

- Motion to approve the lease amendment with AT&T Wireless for additional ground space at the Water
- Tower site.

# FIRST AMENDMENT TO LEASE AGREEMENT

THIS FIRST AMENDMENT TO LEASE AGREEMENT ("First Amendment"), dated as of the latter of the signature dates below, is by and between the City of Roseville, a Minnesota municipal corporation, having a mailing address of 2660 Civic Center Drive, Roseville, MN 55113 ("Owner") and New Cingular Wireless PCS, LLC, a Delaware limited liability company, having a mailing address of 12555 Cingular Way, Suite 1300, Alpharetta, GA 30004 ("Lessee").

WHEREAS, Owner and Lessee entered into a Lease Agreement entered March 13, 2006, whereby Owner leased to Lessee certain Premises, therein described, that are a portion of the Property located at 2501 Fairview Avenue, Roseville, Minnesota 55113 ("Agreement"); and

WHEREAS, Owner and Lessee desire to amend the Agreement to increase the size of the Premises; and

WHEREAS, Lessee desires to change, modify or relocate the Communication Facility, which Owner is willing to approve; and;

WHEREAS, Owner and Lessee desire to adjust the rent in conjunction with the modifications to the Agreement contained herein; and WHEREAS, Owner and Lessee desire to amend the Agreement to modify the notice section thereof; and

WHEREAS, Owner and Lessee desire to amend the Agreement to permit Lessee to add, modify and/or replace equipment in order to be in compliance with any current or future federal, state or local mandated application, including but not limited to emergency 911 communication services; and

WHEREAS, Owner and Lessee, in their mutual interest, wish to amend the Agreement as set forth below accordingly.

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and Lessee agree as follows:

1. Lease of Premises. Owner agrees to increase the size of the Premises leased to Lessee to accommodate Lessee's needs as described in Exhibit 1-A. Owner's execution of this Amendment will signify Owner's approval of Exhibit 1-A. Exhibit 1-A hereby supplements Exhibits A and B of the Agreement.

- 2. New Exhibit 1-A. Lessee shall have the right to change, modify or relocate the Antenna Facilities as more completely described on attached Exhibit 1-A, consistent with Sections 5 and 6 of the Lease Agreement.
- 3. Rent. Commencing on the first day of the month following the date that Tenant commences construction of the modifications set forth in this Amendment, Rent shall be increased by two hundred eighty one dollars and eighty five and No/100 Dollars (\$281.85) per month, subject to further adjustments as provided in the Agreement. Upon Tenant's vacation of additional space, Rent will revert to the original rate, subject to adjustments as provided in the Agreement, upon thirty (30) days' prior written notice to Landlord
- 4. Notices. Section 17 of the Agreement is hereby deleted in its entirety and replaced with the following:

**NOTICES.** All notices, requests, demands and communications hereunder will be given by first class certified or registered mail, return receipt requested, or by a nationally recognized overnight courier, postage prepaid, to be effective when properly sent and received, refused or returned undelivered. Notices will be addressed to the parties as follows.

Item Description: Accept Roseville Area High School Police Liaison Office Agreement for the 2013-2013 School Year

#### BACKGROUND

- The Roseville Police Department is currently budgeted for one full-time school liaison officer and has a
- full-time Roseville Police Officer deployed as a Police Liaison Officer in the District 623 high school.
- During summer months, when school is not in session, this same full-time officer is temporarily
- assigned to the patrol or investigations unit.

#### **POLICY OBJECTIVE**

16

26 27

31

- The Roseville Police Department Police Liaison Officer assumes the following duties:
- Follows up on referrals made by the police department and administrative staff 8
- 9 • Counsels and advises students on legal offenses or other related matters as requested
- Serves as a member of the administrative team and student support team 10
- · Visits with and gets acquainted with students during lunch periods, between classes, at school activities and fields trips whenever 11 12 possible
- 13 • Intervenes with administrative and support staff, in cases of criminal law violation and may conduct follow-up investigation of 14
- Works cooperatively with school staff to initiate prevention programs in the area of juvenile crime 15
  - Educates and advises parents regarding student behavior that could lead or has led to law infractions or other matters, as requested
  - · Assists the school administration in setting up procedures that would contribute to the safety and security of the building and grounds
- 17 • Makes presentations on relevant topics to students as requested by teachers or administrators; helps arrange field trips and speakers in 18 19 his or her area of expertise
- 20 · Builds and maintains rapport among youth, parents, school personnel and law enforcement officers, and serves as part of a team effort 21 to provide role models
- · Assists, as assigned, with petitions to juvenile court and works with social and welfare agencies, probation personnel, and makes 22 23 referrals for family counseling, for chemical health evaluation, and for other student needs
- · Assists, as assigned, in reporting child abuse/neglect cases and in handling Children in Need of Protection or Services (CHIPS) cases 24
  - Performs other duties as assigned by the school principal
  - During the summer months, performs duties as assigned by the Case Coordinator or Lieutenant in charge of Patrol

The Police Liaison Officer is expected to be on duty 173 student days and additional staff days as 28 determined by the Roseville Area High School. The Roseville Police Department has been provided 29 with the Roseville Area High School Police Liaison Officer Agreement for the 2013-2014 school year. 30

The attached agreement has been reviewed and approved by the City Attorney. 32

# FINANCIAL IMPACTS

- School District 623 agrees to assume 67 percent of the total costs associated with the payment of salary,
- benefits and cell phone charges for the Roseville Police Liaison Officer, not to exceed \$63,369.00. The
- School District shall provide office space for the Police Liaison Officer and contribute utilities as well
- as maintenance costs at no cost to the City.

# 38 STAFF RECOMMENDATION

- Staff recommends Council approval to accept the 2013-2014 Roseville Area School Police Liaison
- Officer Agreement as set forth by School District 623 and authorize the signing of the Agreement by
- the mayor and city manager.

# REQUESTED COUNCIL ACTION

- The police department is seeking Council approval of the 2013-2014 Roseville Area School Police
- Liaison Officer Agreement allowing for the required City of Roseville signatures, specifically the City

# Roseville Area Schools and Roseville Police Department

# ROSEVILLE AREA HIGH SCHOOL POLICE LIAISON OFFICER AGREEMENT 2013-2014 School Year

THIS AGREEMENT, made and entered into by and between the City of Roseville (hereinafter "City") and the Roseville Area School District, Independent School District No. 623 (hereinafter "School District").

WHEREAS, the City and School District intend to cooperate in the joint use of a Police Liaison Officer to assist in the establishment and coordination of a cooperative community approach between the School District, its parents, the City, and other community members to meet the special needs and problems of School District students and City residents; and

WHEREAS, the City and School District desire to have a Police Liaison Officer assigned to Roseville Area High School as a liaison between the School District and the City; and

WHEREAS, by this Agreement the parties desire to establish a framework of cooperating to work jointly to develop rapport among the youth of the School District and the law enforcement community, and the site of this City/School District community partnership will be at the Roseville Area High School. And, whereby the City and the School District will both contribute to the costs associated with this cooperative Police Liaison Officer venture, both the City and the School District will be granted certain rights pertaining to the Roseville Area High School Police Liaison Officer program;

NOW, THEREFORE, it is agreed by and between the parties as follows:

- 1. Contributions to the Police Liaison Officer Program by the City:
  - A. The City will contract with the Police Liaison Officer and the City will be the employing party. The City will be responsible for any claims and other liability as

would normally apply to a City employee. This Agreement in no way constitutes a waiver or alteration by the City of relevant liability limits established under Minnesota Statutes Chapter 466. The City expressly declares that it no way intends to be subject to any measure of liability beyond the limits of Minnesota Statutes Chapter 466 by way of entering into this Agreement.

3.0

- B. The City will provide overall supervision and the Police Liaison Officer shall be responsible to the Roseville Chief of Police or his/her designee.
- C. The Police Liaison Officer shall perform the duties and responsibilities identified on the position responsibility write-up attached to the Agreement as Exhibit A. The position responsibility write-up will be reviewed and updated periodically by the Roseville Police Chief and the Roseville Area High School Principal. Attached also with Exhibit A is the Student and Teacher Calendar for 2013-2014.
- 2. Contribution to the Police Liaison Officer Program by the School District:
  - A. The School District will pay the City 67 percent of the total costs associated with the payment of salary and benefits of the Police Liaison Officer, not to exceed \$63,369. The position will be filled by a police officer paid according to the current police officer union contract. The Police Liaison Officer is expected to be on duty 173 student days and additional staff days as determined by the RAHS principal or his/her designee. When there is a need for the Police Liaison Officer to be absent for more than five (5) consecutive student days, the Principal and the Chief of Police will arrange for a substitute Officer or arrange for the City to reimburse the School District for missed time.
  - B. The School District will provide office space for the Police Liaison Officer at Roseville Area High School and contribute the utilities (heating, electricity, water), insurance (property), security, and routine maintenance costs at no cost to the City, and in a manner consistent with the policies and practices of the School District.
  - C. The School District will provide a reserved parking space in the proximity of the Police Liaison Officer's office. The School District will assume the full cost of snowplowing, maintenance, and repairs to the parking space for the term of the joint venture.

- D. The School District will provide basic custodial service, consistent with the policies and practices of the School District.
- E. The Roseville Area High School Principal or his/her designee will provide regular onsite supervisory support, consistent with the policies and practices of the School District, while being fully aware that the Police Liaison Officer is an employee of the City.

#### 3. Selection and Duties:

A. The Principal of Roseville Area High School or his/her designee shall be involved in the interviews and selection of the Police Liaison Officer. Duties assigned the Police Liaison Officer shall be mutually agreed to by the High School Principal and the Police Chief, or their respective designees.

# B. Duties

- On Site Duty Day: 7:45 a.m. 3:15 p.m.;
- Occasionally the Principal may request of the Chief of Police that the Police Liaison
   Officer attend a school event outside normal duty hours.
- The Police Liaison Officer will notify the High School Principal's Secretary when he/she will be absent.
- Duties: hall supervision and overall supervision of safety/security, parking lot supervision, annually review practices to create a safe environment and recommend improvements prior to October 1, meet weekly with RAHS Administrative Team, participate in RAHS Safety Committee meetings, assist Principal, Associate Principals and Deans with lunchroom supervision, serious discipline issues, investigation of incidents, and other duties as specified in Exhibit B.

# 4. Term of Agreement:

The City and the School District shall have the right to terminate this Agreement by giving the other party sixty (60) days written notice of its intent to cancel the entire Agreement. In the event of cancellation, the parties will be mutually relieved of any further obligation as set forth in this Agreement. This Agreement shall remain in effect until June 30, 2014. Thereafter, the Agreement may be renewed for 12-month periods commencing with July 1

and ending June 30 of the following year. Annually, by May 1, the School District will notify the Chief of Police for the Roseville Police Department of the School District's intent regarding renewal of this Agreement.

# 5. Yearly Review:

Annually before June 1, the School District and the City shall meet to review this Agreement. Adjustments and addendums to this Agreement may be made by mutual agreement.

# 6. Notice:

All notices and demands by or from either party shall be in writing and shall be validly given or made if served either personally or if deposited in the United States Mail, certified or registered, postage prepaid, return receipt requested. If such notice is served personally, service shall be conclusively deemed made at the time of such personal service. If such notice or demand is made by registered or certified mail in the manner herein provided, service shall be conclusively deemed made forty-eight (48) hours after the deposit thereof in the United States Mail addressed to the party whom such notice is to be given.

Item Description: Consider Authorizing the Transfer of Tax Increment Funds between TIF Districts

#### BACKGROUND

On August 8, 2011 the City Council adopted Resolution #10918 (*Attachment B*) formally authorizing a temporary inter-fund loan from City Tax Increment Financing (TIF) District #11 to TIF District #17. Both districts covered portions of the Twin Lakes Redevelopment Area. A map depicting the area encompassed in the two districts is included in *Attachment C*. The formal authorization of the internal loan was in response to a new documentation requirement from the Minnesota State Auditor's Office.

The loan itself had actually been made a couple of years prior.

8

10

11

12

The loan was necessary to provide for land acquisition and infrastructure improvements in TIF District #17 that were made in advance of the City receiving developer reimbursements or until such time that sufficient increment would be generated to repay the costs of these improvements. The temporary loan was preferred to TIF Bond financing and was made possible with available funds in the older TIF District #11.

13 14 15

16

17

18

Since this loan was initially made, development activity in the Twin Lakes Redevelopment Area failed to meet original expectations due to a downturn in the economy. This in turn hampered the City's ability to capture tax increment in TIF District #17. In addition, it appears that the City will realize significantly less reimbursement from developers than originally anticipated. Given these extenuating circumstances the Council is now asked to re-categorize the loan as a direct transfer of monies.

19 20

- The City's Bond Counsel of Briggs & Morgan has drafted the attached resolution formally authorizing the re-categorization in accordance with State Statutes.
- 23 POLICY OBJECTIVE
- Not applicable.
- 25 FINANCIAL IMPACTS
- Not applicable.
- 27 STAFF RECOMMENDATION
- Staff recommends the Council adopt the attached resolution formally re-categorizing the temporary internal loan from TIF District #11 to TIF District #17, as a direct transfer of monies.
  - REQUESTED COUNCIL ACTION
- Motion to adopt the attached resolution transferring funds from TIF District #11 to TIF District #17.

Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Roseville, County of Ramsey, Minnesota was duly held on the 8th day of August, 2011, at 6:00 p.m.

The following members were present: McGehee, Pust, Johnson, Willmus and Roe and the following were absent: none.

Member Johnson introduced the following resolution and moved its adoption:

#### **RESOLUTION NO. 10918**

## RESOLUTION APPROVING THE TERMS OF UP TO A \$6,000,000 INTERFUND LOAN IN CONNECTION WITH TAX INCREMENT FINANCING DISTRICT NO. 17

BE IT RESOLVED by the City Council (the "Council") of the City of Roseville, Minnesota (the "City"), as follows:

#### Section 1. Background.

- (a) The City has heretofore approved the establishment of Tax Increment Financing District No. 17 (the "TIF District") within Municipal Development District No. 1, and has adopted a tax increment financing plan for the TIF District (the "TIF Plan").
- (b) The City has determined to pay for certain costs identified in the TIF Plan consisting of certain administrative expenses (the "Qualified Costs"), which costs may be financed on a temporary basis from City funds available for such purposes.
- (c) Under Minnesota Statutes, Section 469.178, Subd. 7, the City is authorized to advance or loan money from the City's general fund or any other fund from which such advances may be legally made, including tax increments from tax increment financing districts (collectively, the "Fund"), in order to finance the Qualified Costs.
- (d) The City intends to reimburse itself for the payment of the Qualified Costs, plus interest thereon, from tax increments derived from the TIF District in accordance with the terms of this resolution (which terms are referred to collectively as the "Interfund Loan").

#### Section 2. Terms of Interfund Loan.

- (a) The City hereby authorizes the advance of up to \$6,000,000 from the Fund or so much thereof as may be paid as Qualified Costs. The City shall reimburse itself for such advances together with interest at the rate stated below. Interest accrues on the principal amount from the date of each advance. The maximum rate of interest permitted to be charged is limited to the greater of the rates specified under Minnesota Statutes, Section 270C.40 or Section 549.09 as of the date the loan or advance is authorized, unless the written agreement states that the maximum interest rate will fluctuate as the interest rates specified under Minnesota Statutes, Section 270C.40 or Section 549.09 are from time to time adjusted. The interest rate shall be 4.00% and will not fluctuate.
- (b) Principal and interest on the Interfund Loan shall be paid semi-annually on each February 1 and August 1 (each a "Payment Date") commencing with the Payment Date on which the City has Available Tax Increment (defined below), or on any other dates determined by the City Manager, through the last receipt of tax increment from the TIF District.
- (c) Payments on the Interfund Loan are payable solely from "Available Tax Increments" which shall mean, on each Payment Date, all of the tax increment available after other obligations have been paid, generated in the preceding six (6) months with respect to the property within the TIF District and remitted to the City by Ramsey County, all in accordance with Minnesota Statutes, Sections 469.174 to 469.1799. Payments on the Interfund Loan are subordinate to any outstanding or future bonds, notes or contracts secured in whole or in part with Available Tax Increment, and are on parity with any other outstanding or future interfund loans secured in whole or in part with Available Tax Increment.
- (d) The principal sum and all accrued interest payable under the Interfund Loan are pre-payable in whole or in part at any time by the City without premium or penalty. No partial prepayment shall affect the amount or timing of any other regular payment otherwise required to be made under this Interfund Loan.
- (e) The Interfund Loan is evidence of an internal borrowing by the City in accordance with Minnesota Statutes, Section 469.178, Subd. 7, and is a limited obligation payable solely from Available Tax Increment pledged to the payment hereof under this resolution. The Interfund Loan and the interest hereon shall not be deemed to constitute a general obligation of the State of Minnesota or any political subdivision thereof, including, without limitation, the City. Neither the State of Minnesota, nor any political subdivision thereof shall be obligated to pay the principal of or interest on the Interfund Loan or other costs incident hereto except out of Available Tax Increment, and neither the full faith and credit nor the taxing power of the State of Minnesota or any political subdivision thereof is pledged to the payment of the principal of or interest on the Interfund Loan or other costs incident hereto. The City shall have no obligation to pay any principal amount of the Interfund Loan or accrued interest thereon, which may remain unpaid after the termination of the TIF District.

- (f) The City may amend the terms of the Interfund Loan at any time by resolution of the City Council, including a determination to forgive the outstanding principal amount and accrued interest to the extent permissible under law.
- Section 3. <u>Effective Date</u>. This resolution is effective upon the date of its approval.

The motion for the adoption of the foregoing resolution was duly seconded by Member Willmus, and upon a vote being taken thereon, the following voted in favor thereof: McGehee, Pust, Johnson, Willmus and Roe

and the following voted against the same: none.

WHEREUPON said resolution was declared duly passed and adopted.

Item Description:

Approve a Resolution for the Final Acceptance and Maintenance for

Public Improvements Constructed for Birch Park

#### 1 BACKGROUND

2 On April 24, 2006, the City Council approved a public improvement contract for BIRCH PARK,

- A 10- lot single family residential development encompassing what was 952, 960, and 978
- Parker Avenue. These improvements included the construction of Chatsworth Circle, a cul-de-
- 5 sac, sanitary sewer, watermain, and storm sewer improvements. These improvements were
- 6 completed this year.
- The City worked with their Engineer during construction to ensure the improvements were
- 8 installed according to approved plans and City specifications.

#### 9 POLICY OBJECTIVE

The City Policy requires the following steps be completed to finalize the construction project:

11 12

13

- Certification from the civil engineer in charge of the project verifying that all work has been completed in accordance with the approved plans and specifications.
- A resolution by the City Council accepting the project and beginning the two-year warranty period.

#### 16 FINANCIAL IMPACTS

- Since this was a developer initiated project, the City did not contribute to the cost to construct
- these public improvements.

#### 19 STAFF RECOMMENDATION

- All necessary items have been completed in accordance with project plans and specifications.
- Since all items have been completed as outlined in the policy regarding final project acceptance,
- staff recommends the City Council approve a resolution accepting the public improvements.

#### 23 REQUESTED COUNCIL ACTION

Approve a resolution accepting the public improvements constructed for BIRCH PARK.

Item Description:

Approve Zoning Text Changes to Section 1004 (Residential Districts) of the City Code to Clarify the Intent of Certain Requirements Related to

#### **Application Review Details**

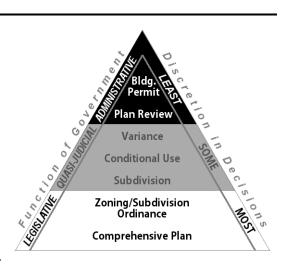

• Public hearing: April 3, 2013

• RCA prepared: August 29, 2013

• City Council action: September 9, 2013

• Statutory action deadline: n/a

Action taken on a zoning text change request is **legislative in nature**; the City has broad discretion in making land use decisions based on advancing the health, safety, and general welfare of the community.

12

A particular provision in the one- and two-family zoning districts that addresses hard surfaces and rain water runoff needs some clarification with respect to its intent and applicability, and Planning Division staff is requesting a ZONING TEXT CHANGE to make these corrections.

#### 6 2.0 SUMMARY OF RECOMMENDATION

Planning Division staff concurs with the recommendation of the Planning Commission to approve the proposed ZONING TEXT CHANGE; see Section 7 of this report for the detailed recommendation.

#### 3.0 SUMMARY OF SUGGESTED ACTION

Pass an ordinance approving the proposed ZONING TEXT CHANGE; see Section 8 of this report for the detailed action.

#### 4.0 BACKGROUND

- 4.1 The proposed ZONING TEXT CHANGE is a continuation of the effort to refine regulations that are intended to facilitate reasonable and beneficial improvements to residential properties when those improvements represent minor deviations from certain standard zoning requirements. Roseville's housing stock has generally been well maintained, but as the space needs and preferences of homeowners change over time, even small improvements can be limited by zoning regulations. For much of Roseville's history, a variance was required for even minor deviations from Code requirements but, if the property owner could not demonstrate the "hardship" condition essential for approving a variance, the homeowner would be discouraged from continuing to make investments in the property.
- 4.2 In 1999 the Zoning Ordinance was amended to allow the Community Development Director to review and approve (subject to certain conditions and criteria) limited encroachments into required setbacks without requiring the homeowner prove that s/he would be burdened by some undue hardship if the provisions of the Code were strictly enforced. The policy decision at that time was that facilitating ongoing investment in Roseville's aging housing stock on a case-by-case basis was more preferable than relaxing the zoning requirements across the board (e.g., reducing the required front setback from 30 feet to 25 feet) or effectively preventing reasonable improvements by strictly enforcing the existing City Code. Since that "Setback Permit" process was adopted, at least 175 such minor deviations were reviewed administratively through June 2008, most of which were approved, since applications are typically not submitted if the primary conditions for approval cannot be achieved by the property owner. Without such an administrative process of review and approval, the vast majority of the residential improvements represented by the Setback Permit applications would never have been made because of the lack of a true "hardship".
- 4.3 Then, in 2008, Roseville expanded the administrative approval process to address slight increases in impervious coverage beyond the standard limits, and the Setback Permit was renamed as the less-specific "Administrative Deviation." Since additional impervious surfaces increase storm water runoff, Administrative Deviations for excess impervious coverage were only approved with the condition that the excess storm water be calculated and infiltrated on the property by, say, installation of a rain garden. Such a condition was consistent with all impervious coverage variances for the preceding couple of years.
- 4.4 While Roseville had now found a way to both allow small increases in impervious coverage and to mitigate the resulting increase in storm water runoff, the City had not yet established a process for ensuring that a required rain garden, for example, would continue to function properly over time. Without proper, ongoing maintenance, silt and debris carried by storm water will eventually clog rain gardens, pervious paving systems, and so on, causing them to fail and allowing the excess storm water to run off of the site and cause problems somewhere down stream. A process to ensure the ongoing mitigation of storm water related to excess impervious coverage had been roughly worked out in 2010 and written in to the new zoning code adopted in December of that year. Since then, the Residential Storm Water Permit regulations have been fully established within Roseville's Engineering Division, and the proposed ZONING TEXT CHANGE is intended remove the technical requirements from the zoning code in order to leave regulation to the more-qualified Engineering Division staff.

Because this request is initiated by the City rather than by an outside applicant, the Statemandated 60-day timeline does not apply in this case; this is noted merely to explain the "n/a" (i.e., not applicable) notation in the Application Review Details section above.

The proposed ZONING TEXT CHANGES are shown in the draft ordinance included with this report as Attachment A; proposed insertions will be represented in **bold** text, and proposed deletions will be shown in strikethrough text. A brief discussion of the proposed changes can be found in the paragraphs below.

- 5.1 The introductory paragraph of the zoning provision means to establish the intent of the regulations, and several changes are proposed to augment and further clarify the intent.
- 5.2 Subsection 2 of this provision is mostly new, but the proposed change reflects the 69 original goal for the regulation. The Residential Storm Water Permit (ReSWP) is a new 70 tool that means to encourage continued investments in aging residential properties by 71 allowing for increases in paved surfaces and building footprints beyond normal code 72 limits so long as appropriate measures are taken to ensure that such improvements don't 73 cause storm water problems elsewhere. The proposed amendment eliminates most of the 74 technical detail of the original ordinance in order to minimize redundancy and to prevent 75 inconsistencies with the ReSWP requirements. The proposed amendment also clarifies 76 that the ReSWP is not meant to be used for most new or recent home construction nor 77 new property subdivisions that would lead to existing paved surfaces and/or building 78 footprints covering more than the standard 25% or 30% of the newly-configured parcel. 79

#### 80 **6.0 Public Comment**

The duly-noticed public hearing for this proposal was held by the Planning Commission on April 3, 2013, after which the Planning Commission voted unanimously (7-0) to recommend approval of the ZONING TEXT CHANGE; the minutes of the public hearing are included with this report as Attachment B. As of the time this report was prepared, Planning Division staff has not received any communications from the public.

#### 7.0 RECOMMENDATION

Based on the comments and findings outlined in Sections 4-6 of this report, the Planning Division concurs with the recommendation of the Planning Commission to approve the ZONING TEXT CHANGE.

#### 8.0 SUGGESTED ACTION

- Pass an ordinance approving the ZONING TEXT CHANGE, based on the comments and findings of Sections 4 6 and the recommendation of Section 7 of this staff report.
  - 8.2 By motion, approve the proposed ordinance summary for publication.

ORDINANCE NO.	
---------------	--

AN ORDINANCE AMENDING IMPROVEMENT AREA REGULATIONS OF CHAPTER 1004 (RESIDENTIAL DISTRICTS) OF TITLE 10 "ZONING CODE" OF THE ROSEVILLE CITY CODE

#### THE CITY OF ROSEVILLE ORDAINS:

 **SECTION 1. Purpose:** The Roseville City Code is hereby amended to further clarify the intent of Improvement Area regulations in Low-Density Residential Districts, and eliminate technical detail from the zoning code in order to minimize redundancy and to prevent inconsistencies with the relevant regulations maintained elsewhere in the City Code.

#### SECTION 2. Section 1004.08 (Low-Density Residential-1) is hereby amended as follows:

- C. Improvement Area: Improvement area, including paved surfaces and, the footprints of principal and accessory buildings, and other structures like decks, pergolas, etc., shall be limited to 50% of the parcel area. The purpose of this overall improvement area limit is to allow for rather liberal construction on a residential property while preventing over-building. Notwithstanding Within this improvement area limit, storm water runoff shall be limited to the amount of runoff generated during a 1-inch rain event over a 24-hour period by impervious-paved surfaces and building footprints covering shall be limited to 30% of a parcel; for parcels within a Shoreland or Wetland Management District, storm water runoffpaved surfaces and building footprints shall be further limited to the amount of runoff generated under the same circumstances by impervious surfaces covering 25% of the parcel area. The purpose of these further limits on paved surfaces and building footprints within the overall improvement area allowance is to prevent problems caused by excess storm water runoff.
  - 1. For the purposes of this section, "improvements" does not include **yard ornaments**, fences, retaining walls, **gardens**, planting beds, or other landscaping.
  - 2. Exception: For properties at least 20 years old, the above limits on paved surfaces and building footprints may be exceeded, within the allowed improvement area, by receiving a Residential Storm Water Permit (ReSWP) from the City Engineer. Because additional paved surfaces and buildings generate additional storm water runoff, the ReSWP Effectively is designed to mitigating mitigate excess storm water runoff relies onthrough technical analysis of building materials, soils, slopes, and other site conditions. In order to ensure adequate and ongoing mitigation of storm water runoff, improvements which would cause pavement or building footprints to exceed 30% (25% in a Shoreland or Wetland Management District) of a parcel's area shall require the property owner to:
    - a. The purpose of this exception is to encourage homeowners to modernize and improve older properties while maintaining the overall character of the community.

36 a.b. For the purposes of the ReSWP, age of a property is determined by the newer of the
37 house construction or the configuration of the parcel boundaries; age is calculated by
38 subtracting the year in which the home was constructed, or the year in which the parcel
39 boundaries were established in their present configuration, from the year of application
40 for ReSWP. Notwithstanding this age limitation, a ReSWP may be considered for a newer
41 property which cannot be practically used by mobility-impaired occupants.

- a. Receive a Residential Storm Water Permit from the City Engineer;
- b. Submit annual maintenance letters, documenting the ongoing, required maintenance of the storm water mitigation system; and
- c.a. Receive a Residential Storm Water Permit recertification inspections by Engineering Division staff every 5 years.

#### SECTION 3. Section 1004.09 (Low-Density Residential-2) is hereby amended as follows:

- C. Improvement Area: Improvement area, including paved surfaces and, the footprints of principal and accessory buildings, and other structures like decks, pergolas, etc., shall be limited to 50% of the parcel area. The purpose of this overall improvement area limit is to allow for rather liberal construction on a residential property while preventing over-building. Notwithstanding Within this improvement area limit, storm water runoff shall be limited to the amount of runoff generated during a 1-inch rain event over a 24-hour period by impervious-paved surfaces and building footprints covering shall be limited to 30% of a parcel; for parcels within a Shoreland or Wetland Management District, storm water runoffpaved surfaces and building footprints shall be further limited to the amount of runoff generated under the same circumstances by impervious surfaces covering 25% of the parcel area. The purpose of these further limits on paved surfaces and building footprints within the overall improvement area allowance is to prevent problems caused by excess storm water runoff.
  - 2.3. For the purposes of this section, "improvements" does not include yard ornaments, fences, retaining walls, gardens, planting beds, or other landscaping.
  - 4. Exception: For properties at least 20 years old, the above limits on paved surfaces and building footprints may be exceeded, within the allowed improvement area, by receiving a Residential Storm Water Permit (ReSWP) from the City Engineer.     - a. The purpose of this exception is to encourage homeowners to modernize and improve older properties while maintaining the overall character of the community.

73	a.b. For the purposes of the ReSWP, age of a property is determined by the newer of the

#### PROJECT FILE 0017

- 2 Request by the Planning Division for approval of ZONING TEXT CHANGES to Section 1004 (Residential
- 3 Districts) of the City Code to clarify the intent of certain requirements related to storm water (PROJ-
- 4 0017)
- 5 Chair Gisselquist opened the Public Hearing for Project File 0017 at approximately 7:09 p.m.
- 6 Mr. Lloyd reviewed the proposed TEXT AMENDMENTS as detailed in the staff report dated April 3, 2013;
- 7 specific to one- and two-family zoning districts that addresses hard surfaces and clarifies the intent and
- 8 applicability of provisions for rain water runoff. Some examples of issues included decks not typically
- 9 considered impervious surfaces as they allowed for some drainage, but also having the potential to consume a
- majority of a site up to within two feet of the property boundaries. By adding an upper limit of things that could
- be built on a site, Mr. Lloyd advised that the buildable portion of a lot could be addressed in residential
- neighborhoods, allowing some expectations of what to expect from adjoining properties.
- 13 Mr. Lloyd addressed more specifics of this provision, reflecting a new tool for encouraging continued investment
- in aging residential properties, as addressed in the Residential Storm Water Permit (ReSWP) as detailed in
- 15 Section 5.2 of the staff report.
- At the request of Member Boguszewski, Mr. Lloyd confirmed that items highlighted in Attachment A in red were
- 17 proposed new language, those items stricken were intended for deletion from current language, and the
- 18 remaining black font print would remain. Mr. Lloyd further confirmed that the impervious surface percentages
- were already in place and nothing new, but the amended text provided clarifying examples and a new process
- that may allow for some exceptions. On the exceptions, Mr. Lloyd confirmed that they would still require a
- 21 permit and fee, and that property plans would be reviewed by the Public Works/Engineering Department with
- 22 specific triggers defining that review on an administrative level, but not through a formal public meeting process.
- 23 While the 2010 Zoning Code update addressed that review and monitor maintenance by the Public
- Works/Engineering Department, Mr. Lloyd noted that a definite process was now set up, and required
- 25 applicants to hire a landscape architect or company to make calculations for site drainage and storm water
- 26 mitigation to address requirements of the ReSWP, with third party involvement over time to ensure mitigation
- steps remain in place and continue to function.
- 28 Various examples were discussed among Members and staff; as well as accessibility for mobility-impaired
- 29 occupants; new technologies for pervious and semi-pervious surface applications; and review of some issues
- as part of the normal building permit process beginning at the Community Development Department, unless a
- trigger was identified requiring further review by the Public Works/Engineering Department to ensure that storm
- water requirements of the ReSWP were met.
- 33 Further discussion included updates in 2010 that incorporated patios and decks in the site improvement
- 34 permitting process, provided for a lower intensity review of site improvements not requiring a more formal
- 35 building permit.
- 36 Member Daire suggested that before anticipating doing anything on a property, it would be a good idea to check
- 37 with the City to determine if a permit was required. Member Daire opined that a person's latitude for his property
- 38 was disappearing.
- 39 Mr. Lloyd responded affirmatively; however, he noted that the City's Building Permit Inspector was good at
- 40 observing things throughout the community and determining whether or not those improvements needed or had
- obtained a permit, and working well with residents in the process.

- 42 At the request of Member Cunningham, Mr. Lloyd addressed rationale for ReSWP mitigation and maintenance
- 43 requirements.
- 44 Member Boguszewski opined that the proposed text amendments made it easier for property owners, under
- 45 certain circumstances, to improve their property.
- 46 Mr. Lloyd concurred, noting that up until approximately five years ago, the only way for a residential property
- 47 owner to get more impervious coverage limits was through a formal variance process. Since then, Mr. Lloyd
- 48 advised that many of those variances were routinely granted through the administrative process; however until
- 49 this proposed text amendment, exceptions could not be addressed to ensure proper maintenance of storm
- water features to ensure they continued to function and didn't become problematic for neighboring properties.
- Mr. Lloyd advised that this was an attempt to make the process one step simpler through a permitting process
- versus the formal variance process.
- At the request of Member Boguszewski, Mr. Lloyd estimated approximately 80% or more of the City's LDR-1
- and LDR-2 structures were over twenty (20) years old; and even though that time frame incorporated a lot of
- development during the 1990's, it was a good place to start.
- 56 Chair Gisselquist closed the Public Hearing at approximately 7:38 p.m.; with no one appearing for or against.
- 57 **MOTION**
- 58 Member Boguszewski moved, seconded by Member Gisselquist to recommend to the City Council
- 59 APPROVAL of the proposed TEXT AMENDMENT, as detailed and based on the comments and findings
- of Section 4-6, and the recommendation of Section 7 of the staff report dated April 3, 2013.
- Member Boguszewski opined that he had no interest in changing the twenty year timeframe; and that property
- 62 owners should be allowed to do as much as possible on their private property as long as it didn't prove harmful
- to their neighbors or the overall city.
- 64 Member Daire concurred with Member Boguszewski; and as a retired professional Planner, expressed his
- observation in the amount of public concern had been manifested in the permitting process. While not a change
- he liked to see, Member Daire recognized valid concerns in a fully-developed area.
- 67 Ayes: **7**
- 68 Nays: 0
- 69 Motion carried.
- Anticipated City Council action is scheduled for April 15, 2013.

#### BACKGROUND

4

5

8

21

Under City Code, a public hearing is required to consider approving liquor licenses for the remainder of the calendar year. The City has received an application for a 2013 Liquor License as follows:

❖ Fantasy Flight Game Center – On-Sale Intoxicating Liquor License

Neither State Statute nor City Code limits the number of licenses that can be issued for On Sale & Sunday licenses.

#### 9 POLICY OBJECTIVE

- The regulation of establishments that sell alcoholic beverages has been a long-standing practice by the
- 11 State and the City.

#### 12 FINANCIAL IMPACTS

The revenue that is generated from the license fees is used to offset the cost of police compliance checks, background investigations, enforcement of liquor laws, and license administration.

#### 15 STAFF RECOMMENDATION

- The applicant meets all requirements set forth under City Code. Staff recommends approval of the On-
- 17 Sale and Sunday liquor license.

#### 18 REQUESTED COUNCIL ACTION

- Motion to approve Fantasy Flight Game Center's request for an On-Sale and Sunday Intoxicating
- 20 Liquor License located at 1975 West Co Rd B2, Suite 1.

Item Description: Adopt a Preliminary 2014 Tax Levy and Budget

#### BACKGROUND

State Statute requires all cities in excess of 2,500 in population, to adopt a preliminary tax levy and budget by September 15<sup>th</sup> for the upcoming fiscal year. Once the preliminary levy is adopted it can be lowered, but not increased. The adoption of a preliminary levy and budget does not preclude further review. It is anticipated that several budget-related discussions will be held later this year leading up to the adoption of the <u>final</u> 2014 levy and budget on December 2nd or December 9th.

The City Council received the 2014 City Manager Recommended Budget on August 19, 2013. The full presentation of this Budget is included in *Attachment D*. A summary is presented below.

2014 Recommended Budget

The 2014 City Manager Recommended Budget for the tax-supported programs is \$23,008,060, an increase of \$1,223,258 or 5.6%. The increase includes \$560,000 for the remaining debt obligations associated with the Parks Renewal Program. It also includes \$225,000 in additional capital funding that was made possible by an appropriation of Local Government Aid.

The remaining \$438,258 is needed to maintain current programs and services that residents have come to expect. This operating budget increase amounts to a 2.0% increase which is less than the rate of inflation expected by most economic forecasts.

19

#### **Highlights of the Recommended Budget:**

- \* Funding for a revised employee Compensation Plan that adjusts for inflation and is committed to wage levels that are more comparable to peer cities. This includes a 2% cost-of-living adjustment for all regular, on-going employees and a 2.6% market adjustment for most non-union employees beginning January 1st. It also includes a supplemental 2.0% market adjustment effective July 1st. The overall market adjustment of 4.6% is consistent with the recommendations identified in the Compensation Study to bring employees to 100% of the peer city average.
- ❖ An appropriation to provide for a 3% employer-match to health insurance premium increases.

#### **Highlights of the Recommended Budget - continued:**

- ❖ Additional funding for the Capital Improvement Plan (CIP) in accordance with the Recommendations set forth by the City Council and CIP/Budget Committee.
- ❖ Monies to meet all new obligations including; debt service, police and fire dispatch, police and fire pension contributions, and others.
- ❖ Implementing proposed organizational changes in the Administration and Public Works departments.
- **Section :** Establishment of a new full-time Park Maintenance Operator position.
- Establishment of a new full-time Desktop Support Supervisor position to be funded by other cities.
- ❖ Additional appropriations in the Police Department for overtime and New American outreach materials.

The City Manager Recommended Budget for the <u>non tax-supported</u> programs is \$27,682,665, an increase of \$4,028,697 or 17.0%. The increase is due to higher planned capital outlays (\$1.5 million), tax increment financing activities (\$1.7 million), and added costs associated with the purchase of water from the City of St. Paul and wastewater treatment charges from the Met Council.

A broader discussion on these non tax-supported programs is planned for later this year.

#### 2014 Recommended Budget Funding Sources

In the General Fund, non-tax revenues are expected to remain stagnant overall for 2014. Increases in business licenses, permit fees, and court fines will be offset by a decline in interest earnings. The Parks & Recreation Fund is expected to fare slightly better with program fees increasing by approximately \$41,000. The additional program fees will offset higher employee and other operating costs. As noted above, the City also expects to receive \$225,000 in local government aid which will be earmarked for capital replacements.

The Recommended Budget also relies on approximately \$400,000 of General Fund cash reserves – slightly less than the \$430,000 figure referenced earlier in the budget process. The decline is somewhat due to refined estimates of personnel-related costs that factors in recent employee turnover. It also includes revised estimates of the amount of savings being derived from the newly-imposed sales tax exemption and the extent it will offset inflationary effects on general operating costs.

The use of cash reserves is summarized in the table below.

#### 2014 Recommended Budget – Use of Cash Reserves

Program	Program Description							
N/A	2% Employee cost-of-living adjustment	\$ 165,000						
N/A	Employee wage step increases	80,000						
N/A	Employee Healthcare - 3% increase **	50,000						
Police & Fire	PERA increase mandate	30,000						
Police & Fire	Dispatching	65,000						
N/A	General Inflation	120,000						
N/A	Reduction from sales tax exemption	(30,000)						
Fire Relief	Reduced City Contribution per actuarial study	(80,000)						
	Total	\$ 400,000						

<sup>\*\*</sup> Based on preliminary information as of July 15, 2013. Recent information suggests that healthcare increases will be closer to 1.3% overall, due entirely from new fees mandated under the Affordable Care Act. This would reduce the amount needed in the budget to \$21,000.

The use of reserves is being considered as a means of maintaining program and service levels in conjunction with State-imposed levy limits. These limits were supposed to restrict the City's levy increase for day-to-day operations to no more than 3%. However, the City recently learned that due to an unanticipated quirk in the formula being used to calculate our levy limit, the City's 2014 levy limit for operations can increase as much as 15% - substantially higher than originally estimated.

Based on this new information, the Council has the following options:

- ❖ Increase the levy by an additional \$400,000 than originally planned to avoid drawing down any reserves.
- ❖ Increase the levy by an additional amount to fund a new initiative and/or strengthen the City's capital asset replacement funding.
- **Stay** the course, and make no further changes.

 If the Council decides to stay the course, the City should be prepared to eliminate the use of reserves for day-to-day operations in 2015 or 2016 in accordance with City Policy and industry recommended practices.

As it currently stands, the Recommended Budget calls for a tax levy increase of \$758,895 or 4.4% over the current levy. Most of this increase is necessary to pay for the added debt service associated with the Parks Renewal Program. The remaining \$198,895 (1.4% increase over the current levy) represents the amount designated for day-to-day operations.

As currently recommended, the \$198,895 in new levy dollars are allocated as follows:

00
01

Program	Description	Amount			
Compensation Study – 2.6%	Adjustment to be implemented January 1 <sup>st</sup>	\$ 104,565			
Compensation Study – 2.0%	Adjustment to be implemented July 1 <sup>st</sup>	40,215			
Park Maintenance	Full-time Park Maintenance Operator position	60,000			
Police Patrol	Additional overtime	10,000			
Police Community Services	New American outreach materials	1,000			
N/A	Unallocated	3,115			
Wellness Program	Budget Reduction	(20,000)			
	Total	\$ 198,895			

#### ,

#### **Tax Levy and Impact on Homeowners**

A summary of the tax levy impact on homeowners based on the Recommended Budget is presented below. In an effort to provide added insight not only on the 2014 Budget but also future budgets, a 7-year projection of the tax levy is shown below. The 7-year period coincides with the same period referenced in the recommendations set for the by the City Council and CIP/Budget Committee.

#### 

#### **2014 Property Tax Impact:**

- ❖ Under the 2014 Recommended Budget, the monthly impact on a median-valued home will be <u>\$4.47 per month</u>. Only \$0.83 of this amount is for day-to-day operations. The remaining is for debt service.
- ❖ In total, a median valued home will pay approximately \$65 per month in property taxes. This is comparable to what that same home will pay independently for gas, electric, mobile phone, and internet connectivity.
- \* This 7-year tax levy projection demonstrates that the City is nearing a period of stability that will allow for inflationary-type increases moving forward in order to maintain current service levels. However, if the Council establishes new programs or initiatives, additional taxes will be likely.

#### 129 **POLICY OBJECTIVE**

Adopting a preliminary budget and tax levy is required under Mn State Statutes.

# City of Roseville 2014 Budget

August 19, 2013

#### **Primary Goal**

To provide the residents and businesses of Roseville the needed, necessary, and desired services in the most efficient way while limiting the amount of financial burden to taxpayers.

#### **Additional Goals**

Meet the needs identified in Imagine Roseville 2025, the most recent citizen survey, the short and long-term goals and aspirations identified by individual Councilmembers and Staff.

- For tonight, we intend to:
  - Provide the City Council and public more detail on the proposed 2014 operating budget for the City of Roseville and subsequent property tax impact.
  - Identify key priorities needed to continue our level and quality of services to the community.
  - Provide context for the City Council in making the decision on the not-to-exceed levy on September 9.

#### **Overview**

- Total 2014 Operating Budget proposed to be \$50.6 million.
- Proposed Property tax supported budget \$23 million
- Proposed Non-property tax supported budget \$27.6 million
- Under state law, the City needs to set not-to-exceed property tax levy by September 15<sup>th</sup>
- State has set levy increase limit at 3%. (excluding debt service). The amount available to levy is further reduced by the amount of state aid (LGA) that is received. In 2014, Roseville will receive \$225,000 in LGA. Therefore, the City will only be able to have a maximum levy increase of 1.4% or \$198,895.

- The tax-supported budget is showing an increase of \$1,223,258 or 5.6%
- The additional amount is funded by levy increase (\$758,895)
  with the remaining coming from reserves, fee increases, and
  savings due to the sales tax exemption.
- Additional funding for the Capital Improvement Program (CIP) with \$225,000 of state aid funding supplementing the current amount allocated to the CIP.

## Highlights of 2014 Operating Budget

- \$560,000 of new levy dollars will be utilized for debt obligation for the Park Renewal Program.
- Funding for wage adjustments to non-represented employees to be at 100% of peer communities. Funding for a wage adjustment to paid-on-call firefighters has been provided as well.
- An appropriation to provide for a 3% health insurance premium to employees. The employees will also pay 3% higher for their insurance.
- Funding is provided to meet obligations of debt service, police and fire dispatch costs, police and fire retirement costs, and inflationary costs.

## Highlights of 2014 Operating Budget

- Implementing organizational changes to the Administration Department primarily focused on communications.
- Shifting of recycling duties to the Public Works Department and creating a position manage recycling operations of the City and deal with stormwater issues.
- Establishment of new full-time Park Maintenance Operator position.
- Additional appropriations in Police Department for overtime and the New American Forum.

## Employee Wage Adjustment

- The recently completed compensation study indicated that non-represented City employees were being paid 4.6% less than studied peer communities.
- The 2014 budget will adjust this disparity by adjusting employee wages for inflation and to be comparable to peer communities.
  - 2% cost of living inflationary adjustment
  - 2.6% wage adjustment on January 1, 2014
  - 2% wage adjustment on July 1, 2014
  - Part-time firefighters were not included as part of the original compensation study. Further discussion will need to occur on how to best adjust wages for the part-time firefighters, but a limited amount of funds has been allocated in 2014 to implement the final decision.

## Administration Department

- Proposal to reorganize the Administration Department to better provide services to Roseville residents.
- All costs for changes will be funded by the Communication
   Fund and will not be funded by property taxes.
- Final details and costs still being worked out.
- Changes include
  - Shift recycling operations to Public Works
  - Create a Communications Manger position
  - Retain a Communications Specialist
  - Change to part-time Senior Office Assistant to full-time
  - Executive Assistant position be changed to Assistant to City Manager/City Clerk

## New positions

- Park Maintenance Operator (Levy supported)
- Communications Manager (Communications Fund)
- Environmental Specialist (Recycling Fund/Stormwater Fund)

Only two new FTE employees are being created in 2014 Budget

### 2014 Revenue Sources

- Increases in business licenses, permit fees, and court fines will be offset by a decline in interest earnings.
- The Parks and Recreation Fund is expected to see about a \$41,000 increase in fee revenue, but this will be needed to offset higher operating costs.
- The City will receive \$225,000 in Local Government Aid (LGA) from the State. This will directed towards the Capital Improvements budget and not available for the operating budget.
- \$400,000 of reserves will be utilized to fund the 2014 property-tax supported budget. The use of these reserves should be eliminated in the 2015 or 2016 budget.

### 2014 Revenue Sources

- The proposed 2014 budget will need to see a \$758,895 property tax levy increase or 4.4% over the existing levy.
- The levy increase is primarily due to debt service for the Park Renewal Program. (\$560,000)
- The remaining levy increase of \$198,895 (1.4% increase over existing levy) will fund the operational budget as follows:

Program	Description	Amount			
Compensation Study – 2.6%	Adjustment to be implemented January 1st	\$ 104,565			
Compensation Study – 2.0%	Adjustment to be implemented July 1st	40,215			
Park Maintenance	Full-time Park Maintenance Operator position	60,000			
Police Patrol	Additional overtime	10,000			
Police Community Services	New American outreach materials	1,000			
N/A	Unallocated	3,115			
Wellness Program	Shift of funds currently allocated to the Wellness Program.	-\$20,000			
	Total	\$ 198,895			

## Tax Levy Impact on Homeowners

- Under the 2014 Recommended Budget, the monthly impact on a median-valued home will be \$4.47 per month. Only \$2.15 of this amount is for day-to-day operations. The remaining is for debt service.
- In total, a median valued home will pay \$65 per month in property taxes. This is comparable to what that same home will pay independently for gas, electric, mobile phone, and internet connectivity.
- A 7-year tax levy projection demonstrates that the City is nearing a period of stability that will allow for inflationary-type increases moving forward in order to maintain current service levels. However, if the Council establishes new programs or initiatives, additional taxes will be likely.

Item Description:

Adopt the 2014 Preliminary HRA Tax Levy

#### BACKGROUND

State Statute requires all municipalities that have levy authority over other governmental agencies to adopt a preliminary tax levy for that agency by September 15th for the upcoming fiscal year. The Roseville HRA, while a separate legal entity, does not have direct levy authority. The City Council must adopt a levy using its authority along with a designation that the funds go to the HRA. The Final 2013 HRA levy is scheduled to be adopted in December. Once the preliminary levy is adopted it can be lowered, but not increased.

8 9 10

2

3

5

6

7

On August 13, 2013 the HRA formally adopted a resolution calling for a 2014 Recommended Tax Levy in the amount of \$703,579, an increase of \$5,108 or 0.7% over 2013. A copy of the resolution is included in *Attachment B*.

11 12 13

14

15

The following table summarizes the estimated tax impact on **residential** homes, based on the HRA's recommended 2014 tax levy, tax base estimates provided by Ramsey County, and assuming a 3.5% increase in property valuation – the expected amount for a median valued home in Roseville.

16 17

### Estimated Tax Impact – Median Valued Home with a 3.5% Valuation Increase

18

Value of Home	2012 Actual	2013 Estimated	\$ Increase (decrease)	% Increase (decrease)
\$ 150,075	\$ 26	\$ 27	\$ 1	2.9 %
170,775	30	31	1	2.9 %
194,994	34	35	1	2.9 %
207,890	36	37	1	2.9 %
226,789	39	41	1	2.9 %

192021

The amounts shown above are independent of the impact that results from the City's tax levy.

22

### 23 **POLICY OBJECTIVE**

- Adopting a final HRA tax levy is required under State Statutes in order to make it effective the
- following year.
- **FINANCIAL IMPACTS**
- See above.

Commissioner Quam introduced the following resolution and moved its adoption

#### Resolution No. 50

# A Resolution Adopting A Tax Levy in 2013 Collectible in 2014

BE IT RESOLVED by the Board of Commissioners (the "Board") of the Housing and Redevelopment Authority in and for the City of Roseville, Minnesota (the "Authority"), as follows:

### Section 1. Recitals.

- 1.01. The Authority is authorized by Minnesota Statutes Section 469.033 to adopt a levy on all taxable property within its area of operation, which is the City of Roseville, Minnesota (the "City").
- 1.02. The Authority is authorized to use the amounts collected by the levy for the purposes of Minnesota Statutes Section 469.001 to 469.047 (the "General Levy").

### Section 2. Findings

2.01. The Authority hereby finds that it is necessary and in the best interest of the City and the Authority to adopt the General Levy to provide funds necessary to accomplish the goals of the Authority and in furtherance of its Housing Plan.

# Section 3. Adoption of General Levy.

3.01. The following sums of money are hereby levied for the current year, collectible in 2014, upon the taxable property of the City for the purposes of the General Levy described in Section 1.02 above:

Amount:	\$703,579	

# Section 4. Report to City and Filing of Levies.

- 4.01. The executive director of the Authority is hereby instructed to transmit a certified copy of this Resolution to the City Council for its consent to the levies.
- 4.02. After the City Council has consented by resolution to the levies, the executive director of the Authority is hereby instructed to transmit a certified copy of this Resolution to the county auditor of Ramsey County, Minnesota.

Adopted by the Board of the Authority this 13st day of August, 2013.

#### Certificate

I, the undersigned, being duly appointed and acting Executive Director of the Housing and Redevelopment Authority in and for the City of Roseville, Minnesota, hereby certify that I have carefully compared the attached and foregoing resolution with the original thereof on file in my office and further certify that the same is a full, true, and complete copy of a resolution which was duly adopted by the Board of Commissioners of said Authority at a duly called and regularly held meeting thereof on August 13, 2013.

I further certify that Commissioner Quam introduced said resolution and moved its adoption, which motion was duly seconded by Commissioner Elkins, and that upon roll call vote being taken thereon, the following Commissioners voted in favor thereof:

- The subject property is a vacant single-family detached home.
- The current owner is Francis A. Johnson.
- Current violations include:
  - Pool fencing and building in disrepair (a violation of City Code Sections 407.02.J).
  - Accumulation of junk, brush, and debris on property (a violation of City Code Sections 407.02.D).
- A status update, including pictures, will be provided at the public hearing.

#### 9 POLICY OBJECTIVE

Property maintenance through City abatement activities is a key tool to preserving high-quality 11 residential neighborhoods. Both Imagine Roseville 2025 and the City's 2030 Comprehensive Plan 12 support property maintenance as a means by which to achieve neighborhood stability. The Housing 13 section of Imagine Roseville suggests that the City "implement programs to ensure safe and well-14 maintained properties." In addition, the Land Use chapter (Chapter 3) and the Housing and 15 Neighborhoods chapter (Chapter 6) of the Comprehensive Plan support the City's efforts to maintain livability of the City's residential neighborhoods with specific policies related to property maintenance 17 and code compliance. Policy 6.1 of Chapter 3 states that the City should promote maintenance and 18 reinvestment in housing and Policy 2.6 of Chapter 6 guides the City to use code-compliance activities 19 as one method to prevent neighborhood decline. 20

# FINANCIAL IMPACTS

# City Abatement:

An abatement would encompass the following:

- Removal of junk, brush, and debris:
- Repair pool fencing:

Total: Approximately - \$2,000.00

In the short term, costs of the abatement will be paid out of the HRA budget, which has allocated \$100,000 for abatement activities. The property owner will then be billed for actual and administrative

costs. If charges are not paid, staff is to recover costs as specified in Section 407.07B. Costs will be reported to Council following the abatement.

# 31 STAFF RECOMMENDATION

Staff recommends that the Council direct Community Development staff to abate the above referenced public nuisance violations at 1693 Ridgewood Lane N.

Implement Employee Compensation Adjustment Item Description:

### BACKGROUND

As requested by the City Council, the implementation of a compensation adjustment is being 2

- brought back for further consideration of a compensation policy and a comparison of the policies 3
- of other peer communities, and for further discussion on implementation options for a wage 4
- adjustment
- Attachment A is summary of compensation policies for the peer communities that we have 6
- received to date. In sum, very few have a policy as formal as what the Council is considering.
- Staff feels that Edina has some language that may be useful to look at for Roseville. 8
- The City of Roseville's Employee Handbook, while not an official City Council policy, does 9 discuss the compensation system. A part of the handbook reads as follows: 10

11 12

13

15

"The City maintains a job classification system and pay plans for all regular positions. Human Resources and Finance annually prepare and recommend a job classification system and pay plans to the City Manager. The proposed pay plan lists the minimum and maximum rate of pay for each job classification not covered by a labor contract".

16

"Each fiscal year, the City Council reviews and adopts with the budget, the pay plans recommended 17 by the City Manager. The City Council may also establish hourly rates of pay for positions not 18 covered by the classification and pay plan". 19

20

"The City Manager may modify pay classes within the pay plans set by City Council. Any 21 amendments to the job classification system or pay plan will be based on changes in the 22 responsibilities or duties of the classes, living costs, position in the marketplace, the City's 23 financial status, general economic conditions, federal or state law or other pertinent factors 24 warranting such action. The City Manager may recommend amendments and revisions in the 25 plan from time to time to provide for market changes, new positions, or organizational 26

changes". 27

- As has previously been discussed, the current compensation plan was implemented based on 28 meeting 97% of Roseville's peer community's average for wages of benchmark positions. The 29 current compensation plan also has a merit pay component that allows for the top 20% of 30
- performers to earn up to 115% of top pay based on achievements and overall performance. At 31

time of implementation, it was expected that the entire compensation plan including the merit pay component would be fully funded over the years to reward top performers based on their achievements. The 97% pay plan component has now slipped to closer to 95% and the merit pay program has never been appropriately funded to reward achievements of those that excel.

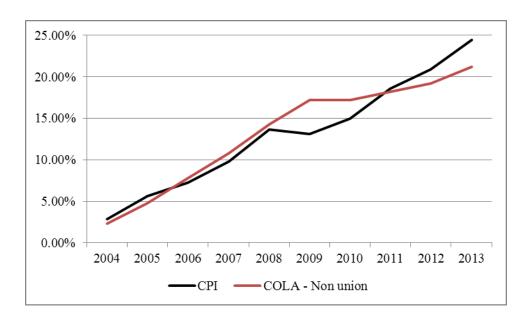

Staff has included Mayor Roe's draft Compensation Policy discussed at the August 19 City Council meeting as Attachment B for your information and consideration.

### **Alternative Benchmark for Wage Adjustment**

 Staff has explored an alternative method to make wage adjustments that will put employees more in line with the external market and to help the City Council compare and contrast different methods to provide external competitiveness. One approach would be to use the Consumer Price Index (CPI) which is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. This could be used to implement wage adjustments since it measures a person's ability to continue to purchase goods and services used in their daily lives. The basic assumption with the CPI however, is that marketplace pay is occurring and you only need review inflationary competitiveness. This is not the case with the City of Roseville as determined by the compensation study of the true marketplace. It should also be noted that the City has not previously used the CPI as a measure of external market competitiveness.

The chart below reflects the City of Roseville's cumulative COLA granted as compared to the CPI over the last 10 years. This not only gives some comparison between the two, it also provides some historical review since Roseville's last compensation review in 2001-2002. The CPI is based on the Bureau of Labor Statistics for the Twin Cities region.

## 10-Year Cumulative CPI vs. COLA (non-union)

Cumulative	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013
CPI	2.85%	5.61%	7.22%	9.79%	13.62%	13.11%	14.96%	18.55%	20.89%	24.46%
COLA - Non union	2.30%	4.80%	7.80%	10.80%	14.30%	17.20%	17.20%	18.20%	19.20%	21.20%

The 2013 figure is based on the first 6 months extrapolated over the full year. As this chart indicates, over the past 10 years, the cumulative COLA is 3.26% behind the CPI. Over the past 4 years (2010-2013), the cumulative gap is at 7.35%. Over the past 5 years, the gap is 3.94%.

Implementation Options: Staff has prepared some options (Moderately Competitive, Competitive, and Strongly Competitive) for the City Council to consider as they look to implement a wage adjustment. It should be noted that a 2% COLA for the 2014 budget will be recommended regardless of what option is chosen. It is important that COLA's are put in place not only to remain competitive with the external markets (other cities are reporting that they are budgeting 2% COLA increases in 2014) but also to keep pace with the CPI in 2014. Failing to include a 2% COLA, even with implementation of one of the options listed below, will quickly return the City back to situation we are currently facing.

It should be noted that these options include an adjustment to the part-time firefighter wages. As you will recall, the part-time firefighters were not included in the original compensation study. The thought at the time would be to do a separate study on their positions. If the City Council chooses the "Moderately Competitive" option, staff feels strongly that the part-time firefighters should be included since using the CPI is not a measure of external competitiveness and should be applied to all employees. The part-time firefighters have been included in the last two options as staff surmises that there is not any interest by the City Council to conduct another compensation study. Therefore, the dollar amounts shown in the Budget Implication section includes the part-time firefighters getting the compensation adjustment.

**Moderately Competitive:** Immediately reclassify the no more than 8 position found to be in need of reclassification through the compensation study, immediately implement a 3.26% wage adjustment in the first applicable pay period to catch up with the CPI lag for all non-union exempt and non-exempt staff including part-time firefighters, and continue funding for merit pay.

**Competitive:** Immediately reclassify the no more than 8 position found to be in need of reclassification through the compensation study, implement the full 4.6% wage adjustment as resulted by the compensation study to be at 100% of the average/median for the comparable marketplace in stages on January 1, 2014 and July 1, 2014 for all non-union exempt and non-exempt employees including part-time firefighters, and eliminate the merit pay plan.

**Strongly Competitive:** Immediately reclassify the no more than 8 position found to be in need of reclassification through the compensation study, implement the full 4.6% wage adjustment as resulted by the compensation study to be at 100% of the average/median for the comparable marketplace in stages on January 1, 2014 and July 1, 2014 for all non-union exempt and non-exempt employees including part-time firefighters, and continue the merit pay plan to reward those that excel

104	POLICY OBJECTIVE
105	To deliver a wage system and structure that is fair and equitable while allowing Roseville to
106	attract and retain quality staff in the marketplace.
107	
108	
109	BUDGET IMPLICATIONS
110	The costs for implmentation will vary with each option and depend on the timing of the
111	implementation. Staff has estimated the <u>annual levy</u> cost for each option.
112	
113	Moderately Competitive Plan - \$157,190 annual cost or \$0.64/month for the med. home value
114	\$157,190 for 3.26% adjustment
115	\$20,000 for supplemental pay for up to 8
116	No reduction for Merit Pay
117	(\$20,000) transfer of wellness funds
118	
119	Competitive Plan - \$202,000 annual cost or \$0.83/month for the median value home
120	\$232,000 for 4.6% adjustment
121	\$20,000 for supplemental pay for up to 8
122	(\$30,000) reduction for Merit Pay
123	(\$20,000) transfer of wellness funds
124	
125	Strongly Competitive Plan - \$232,000 annual cost or \$0.95/month for the med. value home.
126	\$232,000 for 4.6% adjustment
127	\$20,000 for supplemental pay for up to 8
128	No reduction for Merit Pay
129	(\$20,000) transfer of wellness funds
130	STAFF RECOMMENDATION
131	STATE RECOMMENDATION
132	Staff would strongly recommend that the City Council formally move ahead with a decision at
133	this time. A decision on September 9 will allow for a resolution on the matter for both the City
134	Council and staff. Therefore staff recomends the following:
135	
136	1. Update the City's compensation policy to be utilized moving forward.

137 138

2. Implement one of the options as laid out above with staff recommending the "Competitive" option at minimum.

139140141

142

(It should be noted that the recommended actions should be considered together and not separately as all will need to occur in order to result in competative wages and retain staff).

### REQUESTED COUNCIL ACTION

143144

Motion to set a policy and implement one of the alternatives as provided above.

Prepared by: Patrick Trudgeon, Interim City Manager (651) 792-7021

Eldona Bacon, Human Resources Manager (651) 792-7025

# **Review of Peer Community Compensation Policies and Statements**

**Golden Valley:** "Target is to be at the 66<sup>th</sup> percentile of the Stanton 5 and 6 groups combined wages. This is completed by taking the average for both groups and setting the target at 16% above that average".

**Woodbury:** "The top wage rate in the Full Performer Stage is considered the maximum wage rate for the position classification. This rate is based upon a pay philosophy of 100% of the average maximum wage rate of Stanton V cities with a population of 35,000 and above. When a market analysis for a specific job class indicates the assigned salary range deviates, positively or negatively, from the market by more than 10%, the job class may be placed at an established salary band that most closely corresponds to the applicable market rate".

# Fridley: Market Review and Adjustments

- 1. "It shall be the responsibility of the Human Resources Director to conduct a comprehensive review of benchmark positions within comparable cities identified as peers in the market.
- 2. The review and comparisons of market data is required to be completed no less than every three years for key benchmark positions.
- 3. Peer cities are municipalities which are similar in terms of how services are delivered, the City's population, location, and structure, and are determined by the Department Managers, the City Manager, and affirmed by the City Council.
- 4. Market data will be obtained from the League of Minnesota Cities, direct requests, and/or legitimate and commonly recognized pay studies where practicable.
- 5. Any recommendations for adjustments based on market analysis must be made to the City Manager for final approval.
- 6. From time to time, all salary ranges in the Pay Plan may be adjusted proportionally and collectively through the annual budget process".

**Richfield:** Indicated that the City Manager has his own philosophy of being average or a little higher than average, but it is not policy driven.

**Edina:** "We need highly talented staff to be able to excel at our mission and achieve our strategic goals. Our compensation system is designed to attract, retain and reward individuals that can build a successful service-based organization. This compensation policy is a guiding document only; the City retains the right to make decisions outside of the policy if the decision supports the objective stated above".

## "External Market Competitiveness

It is important that the City's compensation plan is well positioned against the external market. The City needs to compete with other organizations to attract individuals with established track records. One of the primary purposes of the compensation plan is to retain high performing employees and remove pay as a leading reason to leave our organization. For the purpose of evaluating external competitiveness, the City relies primarily on metro-area suburban cities that are similar to Edina in terms of size, location, and development. The current benchmark communities are: Apple Valley, Blaine, Bloomington, Brooklyn Park, Burnsville, Coon Rapids Eagan, Eden Prairie, Hopkins, Lakeville, Maple Grove, Maplewood, Minnetonka, Plymouth,

Richfield, Roseville, St. Louis Park and Woodbury. The City also monitors wage data from private sector surveys and other local communities".

"Fiscal Responsibility
The City will also strive to use its financial resources as efficiently as possible through the design and implementation of its compensation program. Through the effective allocation of compensation dollars, the City will advance its compensation purpose and principles without placing an unreasonable burden on Edina citizens".

# **Draft** Compensation Policy:

2 3

# **Purpose:**

To provide for market-competitive wage and salaries for non-union, exempt and non-exempt personnel, as measured against peer employers, in order to maintain an experienced, competent, and motivated work force in the City.

# **Policy:**

The policy of the City of Roseville will be to maintain the average of the top wages or salaries of the City's comparable non-union, exempt and non-exempt positions between 98% and 102% of the average of the top wages or salaries of the same positions as measured among the City's peer employers.

# **Implementation:**

1. The City will increase all top non-union, exempt and non-exempt wages and salaries by 4.6% as of January 1, 2014, in order to bring the average of the top wages or salaries of the City's comparable positions to 100% of the average of the top wages or salaries of the same positions among the peer employers as identified in the April 8, 2013, Compensation & Classification Study.

Further, the City will re-classify certain positions as of January 1, 2014, which remain greater than 6% below the average of their comparable positions among the peer employers as identified in the April 8, 2013, Compensation & Classification Study, even after the implementation step described above.

2. Subsequent to 2013, the City will undertake a Compensation & Classification Study during the first half of every 6<sup>th</sup> (or 4<sup>th</sup>?) odd-numbered year, which will define that study's comparable positions and peer employers, and analyze the average of the City's top wages or salaries for those positions against the averages of the top wages or salaries for the comparable positions at the peer employers.

3. Implementation of Compensation & Classification Studies will occur in the budget for the year subsequent to the conduct of the study. Adjustments will be made to all non-union, exempt and non-exempt wages and salaries based on the difference between the average of the City's top wages or salaries for the comparable positions and the average of the peer employers' top wages or salaries for the comparable positions, using the following standards.

 a. If the City average is at or below 98% of the peer average, the City will adjust all applicable wages and salaries for the subsequent year by an amount that would bring the City average to 100% of the peer average. No cost of living adjustment to the applicable wages and salaries need be considered for the budget year in which such an adjustment is made. b. If the City average is between 98% and 102% of the peer average, no adjustment to applicable wages and salaries will be required beyond whatever cost of living adjustment the City may deem appropriate.

- c. If the City average is at or above 102% of the peer average, the City may impose a 0% cost of living adjustment for all applicable wages and salaries for up to 2 subsequent budget years, other considerations notwithstanding.
- 4. Funds required for implementation will be provided for in a sustainable manner as determined by the City Council at the time of implementation.
