

Presented by Roseville Skate School

Gone Country

2025 Ice Show

Performance Dates April 10-12, 2025

Roseville Skating Center

2661 Civic Center Drive, Roseville, MN 55113

651-792-7007 | www.cityofroseville.com/skatingcenter

Thank You!

We would like to say thank you to all those that have made this year's Ice Show a success! This includes our amazing coaching staff, arena staff, volunteers, backstage workers and chaperones! Also, a big thank you to all the parents, family & friends that spend countless hours running kids back and forth to the arena for practice and for supporting our skaters. Lastly, thank you to our skaters for showcasing their amazing talents and skills for all of us to enjoy! And, a very special thank you to Michelle and Matt Richards, for the amazing decorations they create each year!

Thank you for coming and supporting all of our skaters at this year's Ice Show- "Gone Country"

Roseville Skate School Future

Roseville Skate School is excited to transition to the Learn to Skate USA (LTSUSA) program in Summer 2025!

To participate, all skaters will need an active annual membership with Learn to Skate USA. This membership is required for registration and must be obtained before signing up for any Roseville Skate School classes. The annual membership fee is \$17.00.

Scan to Learn More!

Summer Roseville Skate School

Summer is the perfect time to learn or enhance your skating skills! Roseville Skate School offers 8 week sessions with classes meeting once a week, covering both basic and advanced techniques. Each class has an average of 12 student per instructor.

2025 Senior Class

Sofie Sethi

Sofie Sethi is a senior at Roseville Area High School where she enjoys playing in many music ensembles including the symphony orchestra. She recently went to the Galápagos Islands on a combined Spanish and Science trip with fellow Roseville seniors. Sofie has been skating since she was in 4th grade and now teaches the tots class at the Roseville skating school. Sofie plans to go to Concordia College in Moorhead MN to pursue political science and environmental science. She received a music scholarship and will play in the Concordia Orchestra.

Sofie would like to thank her parents, brother, grandparents, aunties, and uncles for supporting her and coming to her ice shows over the years. She would also like to thank her coaches Roni and Lila for developing her skills and love of skating. For Sofie, skating will be a life-long sport!

2025 Senior Class

Carmen is a senior at White Bear Lake Area High School and has been figure skating for 9 years. She is currently in Freestyle 6 and during her time at Roseville, she has made it to the silver level in her skating skills and bronze level in her ice dances. Her favorite memory from skating was during her very first ice show in 2017, because she had the opportunity to try something she had never done before and meet new skaters.

In her spare time, she enjoys being outdoors, photography, spending time with her family/friends, baking, and taekwondo. Carmen has been getting involved in various communities at Bethel University, such as the Pre-med and Neuroscience clubs along with serving residents at Waverly Gardens. She will be attending Bethel University where she will pursue a Double Major in Molecular Biology and Neuroscience with a Minor in Community Health.

“I would like to thank my family and my coach, Pamela Sandborg for always encouraging me to be the best version of myself. I consider myself very lucky to have such a strong support system in my life.”

2025 Senior Class

Natali Jorgensen

Natali Jorgensen is a homeschooled senior who is currently taking classes through Minneapolis College PSEO, as well as various homeschool co-ops. She is proud of having made it to Freestyle 5 by her senior year, but her favorite part of figure skating is performing in the Spotlight Solo categories, allowing her to showcase her acting skills.

Aside from skating, she enjoys many other artistic and performing hobbies, from painting to music and theater. Last summer, she won first place at the 11th grade level for sculpture at the State Fair k-12 competition, and 3rd place for needlepoint at the same competition. She is a graduating member of Angelica Cantanti Youth Choirs and Twin Cities Homeschool Band. She currently plays oboe with the Roseville Community Band. In her free time, she writes stories, plays music, and spends time outdoors.

Her passion is in learning as much as she can about the world and communicating it to other people through creative mediums. She is an avid reader who enjoys learning about natural sciences and finds mathematics an interesting puzzle.

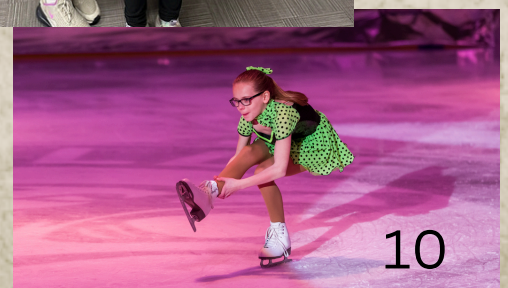

Her graduation plan is to finish her degrees in Fine Arts and Graphic Arts through Minneapolis College with Phi Theta Kappa honors.

2025 Senior Class

Ella Stachon

My name is Ella Stachon and I am a senior at Centennial High School, but I had previously been at Totino-Grace High School for the past 3 years. I have been skating since I was 8 years old and this year will be my 10th ice show! My favorite skating memories include going to Duluth for competitions and getting my first solo. I have also enjoyed coaching ISI and Rising Stars and helping all of the young skaters learn to skate and improve their skills. Off the ice, I love hanging out with my friends and family, traveling, and shopping; of course! I currently work at All American Title company, and next year, I plan to pursue my realtor's license and grow my knowledge and experience in the field. I would like to thank my coach Kelli Hagen for always being there for me, whether it had to do with skating or life. Kelli has taught me patience, confidence, kindness, determination and perseverance. I would also like to thank Stephanie for coaching me through dance, Sandy for all the early morning lessons over the years, Sabrina for her wonderful choreography in all my solos and programs, and all of the other coaches who have helped me over the years! To all of my coaches—thank you for your guidance, patience, and belief in me throughout this journey. I also would like to give a huge thank you to my parents, Lindsay and Todd, and my younger sister, Lila, for always believing in me, even when I doubted myself, and for being my greatest supporters. Through every challenge, every achievement, and every moment in between, your endless support, sacrifices, and encouragement have meant everything to me. I would not be the skater or person I am today without you, and I am forever grateful to have you guys by my side, always. I am so lucky to have been coached, supported, and cheered on by such incredible people.

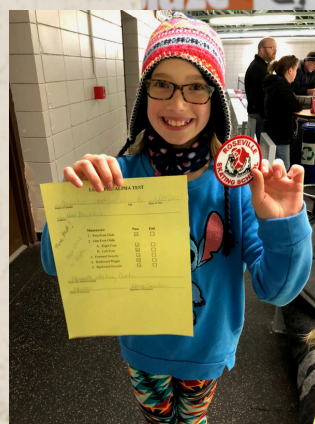

2025 Senior Class

Augustine Luhman

Augustine Luhman began figure skating in 2017. She has been part of the Roseville Skate School and a member of the Roseville Figure Skating Club. She is so appreciative for all the instruction and support she has received from the coaches at Roseville over the years. She is especially grateful to her coach Kelly Balthazor who, even through weird COVID times, has met her for 6:00am morning ice twice a week.

Off the ice, Augustine is heavily involved in scouting and has earned the Girl Scout Bronze Award, Silver Award, and she is currently working on her Gold Award. She is a Life Scout in Scouting America and is in the process of earning the rank of Eagle Scout. She was selected to attend the National Jamboree in 2023 as a member of her council contingent. She was able to tour Washington DC and participate in activities at the Summit Bechtel High Adventure Base in West Virginia. She has completed a High Adventure to Sea Base in the Florida Keys, a winter camping Trek at the Northern Tier High Adventure Base, and has even completed a twelve day backpacking trek at Philmont Scout Ranch.

Augustine is known for her dedication to academics and will soon graduate from Irondale high School. She was selected last summer for the Naval Academy's Summer Session and hopes to receive an appointment to either the United States Military Academy at West Point or the United States Naval Academy. Looking ahead, Augustine is excited about the future, with dreams of one day being a commissioned officer in the United States military.

We extend our heartfelt gratitude to Garth and Mike for capturing the beautiful posed pictures for the Ice Show. Their time, effort, and attention to detail have given skaters and their families lasting memories of this special event. Thank you, Garth and Mike, for sharing your talent and helping make this Ice Show even more memorable!

More information about the Ice Show video will be available on our website soon!
