Item Description: Review Proposed Precinct Lines

---

**BACKGROUND**

The newly drawn legislative and congressional districts were released on February 21. Under the new plan Roseville remains entirely in the 4th Congressional District, but there were several changes in the Senate and House legislative districts. Portions of Roseville are now in District 66A and 42B. Previously Roseville was in District 54A and 54B. Under the new plan, Roseville will have two representative and two senators.

Ramsey County used the following criteria to draw the new lines:

- Closely adhered to existing precinct lines, where possible
- Followed mandated divisions (census block, along recognizable physical features, highways, rivers, railroads)
- Lines correspond with school district, legislative and congressional districts
- Ten precincts

Precincts 5, 6, 7, 8, 9, 10 remain the same.

The new precincts 1 and 2 are within the Mounds View School District. The old Precinct 1 is divided into two precincts because Snelling Ave is a legislative boundary on the west, and the Mounds View School District line on the east.

The remaining part of the old Precinct 2, along with the old Precinct 3 and Precinct 4, have been split into two precincts.

**POLICY OBJECTIVE**

Create precincts that meet the criteria explained above.

**FINANCIAL IMPACTS**

None

**STAFF RECOMMENDATION**

Review proposed precinct lines. Cities must approve new precinct boundaries by April 3.

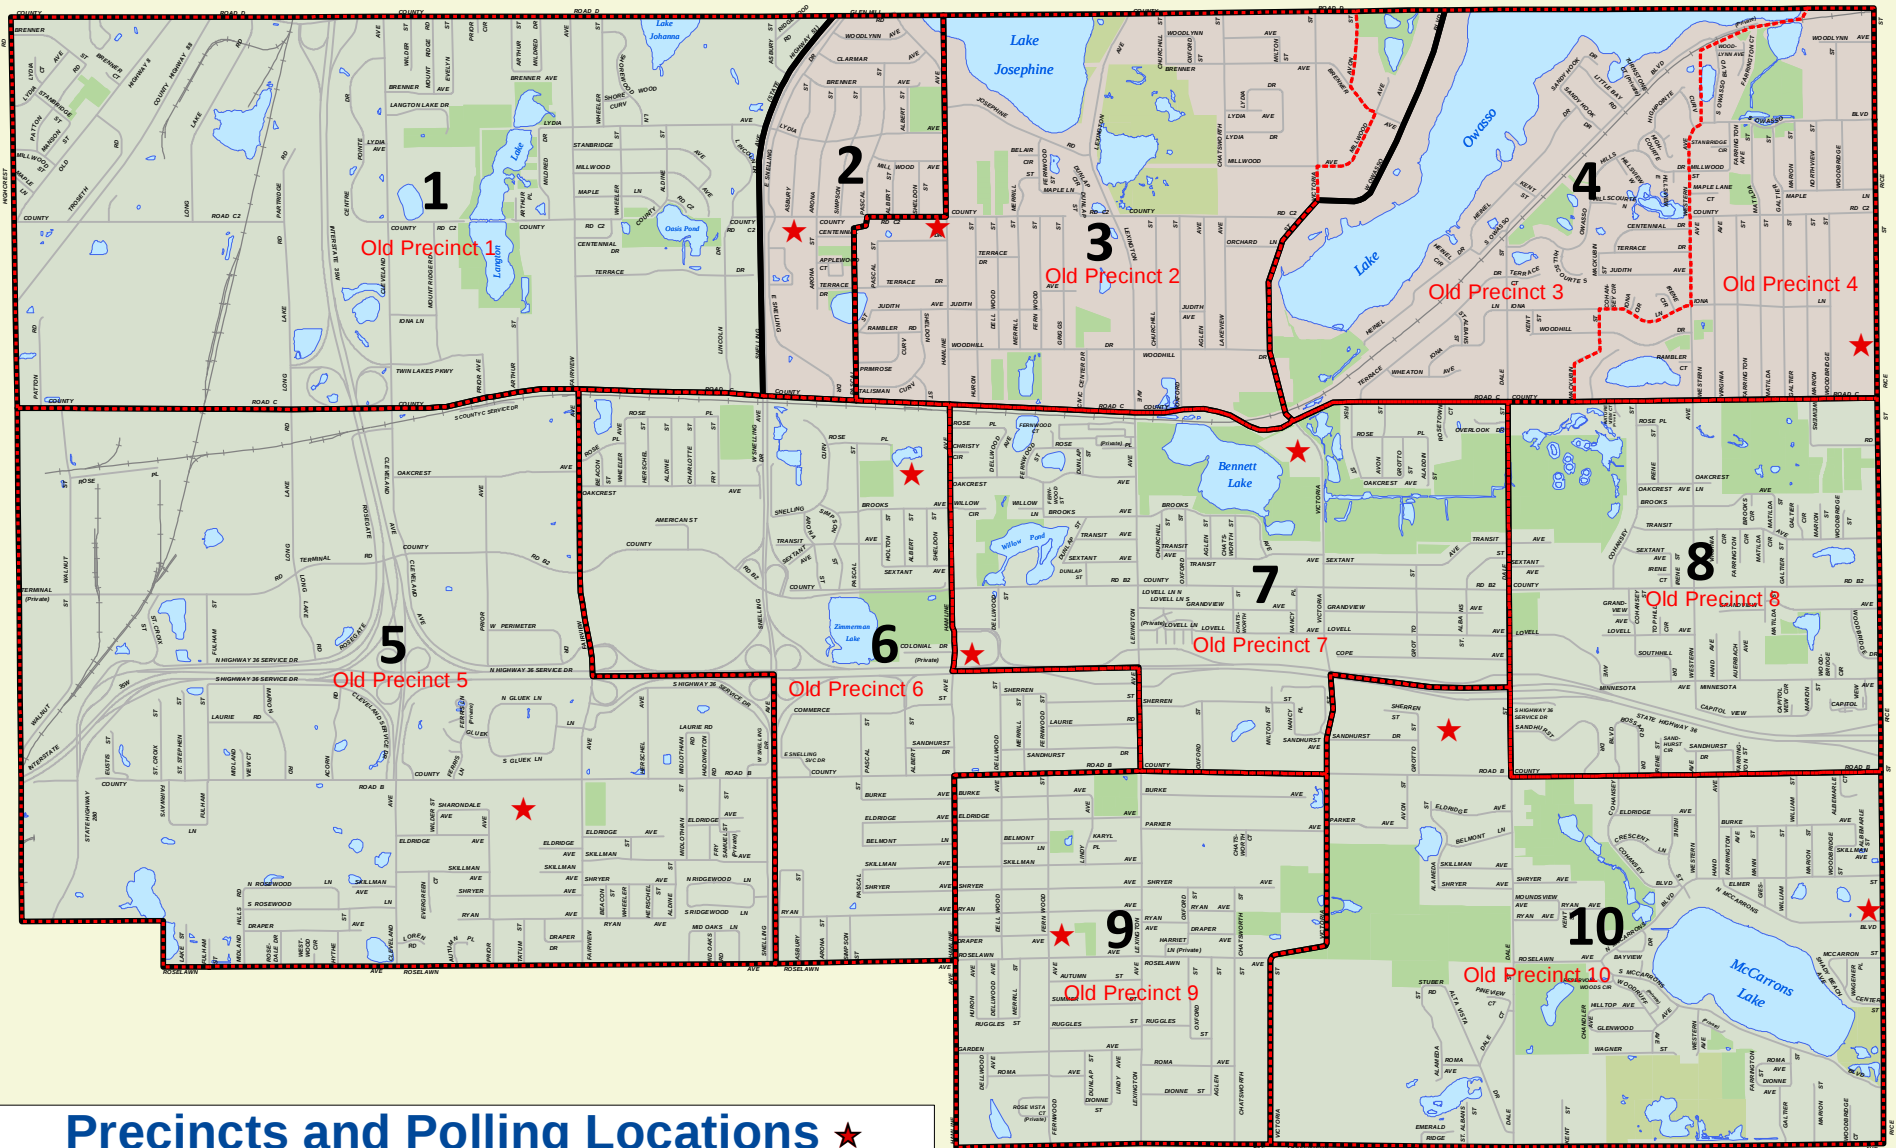

29 **REQUESTED COUNCIL ACTION**
